Newport, Rhode Island

MORRIS P. FROST '35, Trustee Emeritus
Lake Park, Florida

LISPENARD B. PHISTER, Trustee Emeritus
Newbury, Massachusetts

** Member of the Executive Committee
*** Ex Officio Member, Executive Committee

DEDICATION

In September of 1971, a special woman joined the Governor Dummer special Faculty. Since that time, she has been an important part of the lives of many individuals. Her unselfish service has earned the respect and admiration of faculty and students alike.

She has been a "Grandmother" to many homesick students - always there, always willing to talk and to listen. Her good, old-fashioned, common sense advice has given many a student in trouble a much needed solution to his or her problem. Her pills and powders have eased the discomfort of countless colds and sprained muscles. Many know her for her N.F.W. athletic excuses, but few know about the many nights she has stayed up caring for and worrying about sick students. Most know her as the resident nurse, but more importantly, as a valued friend.

With much appreciation for her unselfish contribution to Governor Dummer Academy and with the approval of her hundreds of "grandchildren," the Senior Class, with warmth and respect, dedicates the 1979 MILESTONE to

Marjorie S. Colpitts

SEPTEMBER, 1979

The Chapel chimes the start of Opening Day;
Newcomers throng the Perry Room and Cobb.
New parents homeward ply their wary way;
And leave the old Academy the job

Of nuturing their nervous progeny
Through all which misty future may unfold;
The Red Key o'er the campus guide the way,
(As summer's last mosquitoes still make bold).

The day is festive, fraught with expectation;
From dorm and greensward voices fill the sky;
The air is live with keen anticipation;
Yet something - something poignant - seems awry.

The year ahead holds promise and, all 'round,
Hopes are high and eagerness holds sway.
Still, lingering, a sadness can be found:
- The Class of 'Seventy-nine left just last May.

Full many a gem of purest ray serene,
Full many a paragon of gal and guy
Have thus departed this familiar scene.
We who remain remember with sad sigh.

Once more the chapel chimes its halcyon bell: -
You're gone, but not forgotten -
Fare you well!

J. W. R.
(With most profound
apologies to
Thomas Gray's "Elegy . . .")

JOHN WILLIAMS RAGLE

SOME SPECIAL THANKS

Witherspoon Joins '79

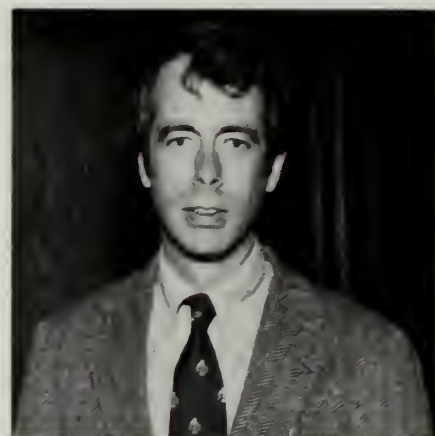

Most every member of this year's graduating class remembers sitting in the room adjacent to the Cobb Room. Most of us were terrified eighth graders and when that man behind the desk gave us a spelling test the future looked grim. To top everything off, we were asked to read a selected passage. Simple as it sounds, many a shaky voice stuttered through that paragraph. Who was this man who engraved such a deep impression upon us? Who, throughout the years, provided us with Ancient History humor? Who stoically coached third girls' basketball along with many other sports? Whose seemingly dazed manner, but actually a very knowing and down-to-earth one, amused us endlessly during school meetings? How can we leave behind the man who gave us our first view of Governor Dummer and remained by our sides for four years? That is why, we, the graduating class of 1979, the last class he admitted, has decided to make John Witherspoon an honorary member of our class, and keep him with us always.

Librarian Retires

At this time, most of us think of "Can we have it quiet in here, please?" when we think of Mrs. Navins. We have only seen her as the librarian, retaining order, sending out overdue notices, and returning books to their proper positions. Prior to this, however, Mrs. Navins lived in two dorms with her husband. Commons (no longer a dormitory) and Pierce (then a boys' dormitory) were residences. When Mrs. Navins lived on campus in the dorm, faculty wives were expected to do many things. Pouring tea at receptions was a must for all. Mrs. Navins also was quite adept at arranging flowers for special occasions and frequently did so for Parents' Day, Commencement, and the chapel. This year, Mrs. Navins leaves GDA as librarian. All will miss her presence at GDA and wish her the best of luck in the future.

Clunie Leaves

After residing at GDA since September of 1968, Mr. Clunie has decided to move on to other ventures. During the span of ten years here, Mr. Clunie has accomplished many things. His first year was spent in Perkins 3 with Mr. Evans lording over the floor below. His second year, however, found him in Mason Cottage. While at Mason, Mr. Clunie changed the building and spent much time on improving it. An English teacher for the entire ten years and head of the department for five, Mr. Clunie has affected many students' development in English. Mr. Clunie was also active in athletics. He coached both soccer and lacrosse for his ten years. We wish him the best as he moves on to St. Paul's School in Concord, New Hampshire.

Seniors

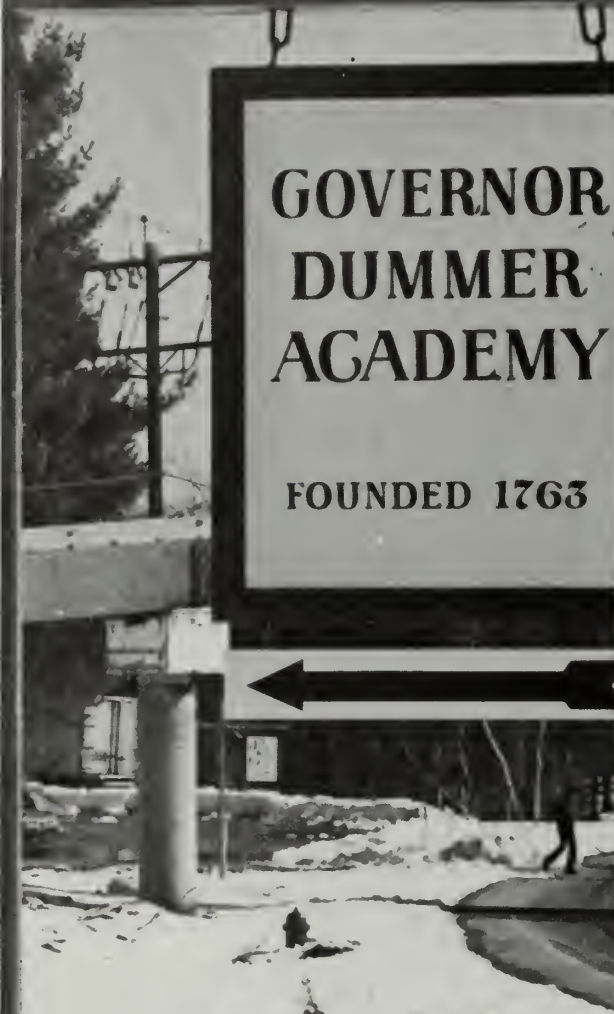

"Life is a dream,
sometimes good,
sometimes bad."

"There you are at a fork in the road
Don't know where you're going
So you're just going slow
You're afraid if you have to choose
You win less than you lose
Don't you know . . .

Everybody's got to take a chance
Everybody's got to make a stand
You'll be choosing in the end
Cause this is your life my friend."

Orleans, J&J Hall

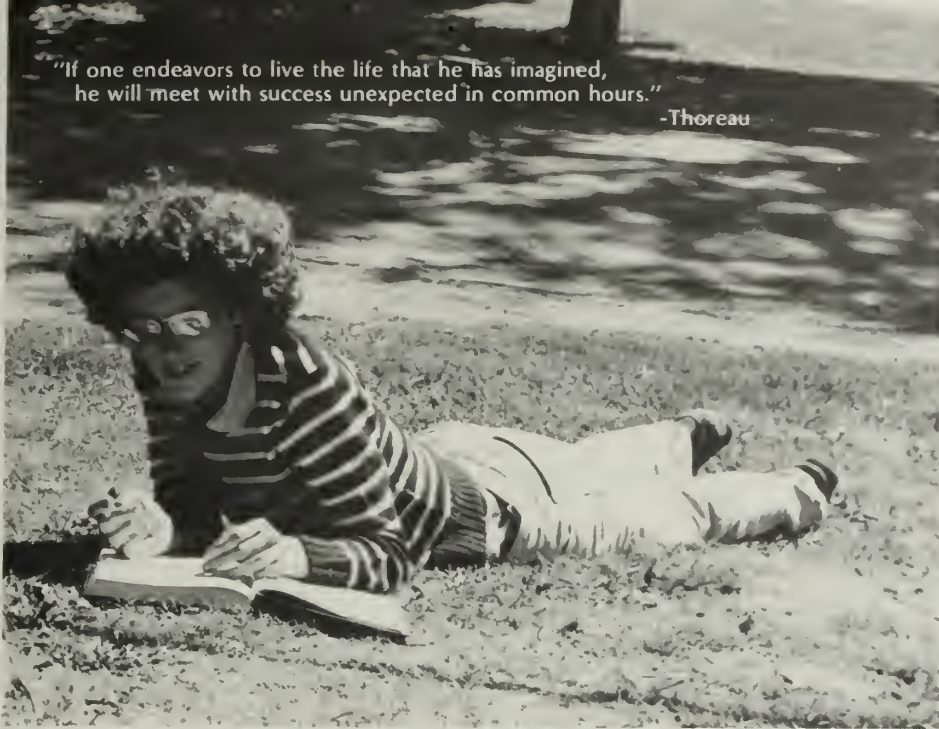

"The realization and acceptance of life
begins with yourself-
Love yourself-
Love others-
Love life."
debby

"If one endeavors to live the life that he has imagined,
he will meet with success unexpected in common hours."

-Thoreau

"Of all the things we do for ourselves
There are few that mean as much
As loving someone else."

-Jon Pousette-Dart

The higher you fly,
the higher the high
and the deeper the low,
The lower you fly,
and the lower the high
and the less deep the low
And both are equal,
but you don't
see very much
when you don't
fly as high.

"If you can't dunk, what good are you?"

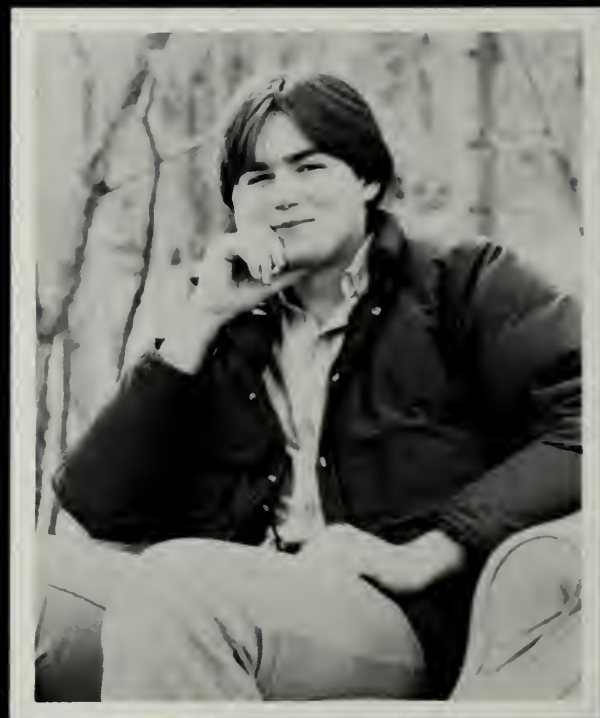

"Curses, could it be true?"

"Who is he kidding?"

"I'd like to think about that one!"

"I've been thinking about our Fortune
And I've decided that we're really not to blame
For the love that's deep inside us now
Is still the same.

Listen to the tide slowly turning.
Wash all your heartaches away.
We're part of the fire that is burning
And from the ashes we can build
Another Day."

"You can't always get what you want,
But if you try sometime you just might find
You get what you need."

-Rolling Stones

"Let's see with our heart
These things our eyes have seen
And know the truth will still lie
Somewhere in between."

Academics

SCIENCE

The Science program is a very strong area of the Academy's curriculum. With courses ranging from Bio 1 to Advanced Physics, there is a course suited to every student. One of the high points in the Schumman Science Center, not mentioning the water level when it rains, is the biology experiment with chickens, trying to prove (usually successfully) that roosters can't lay eggs. The Chemists are

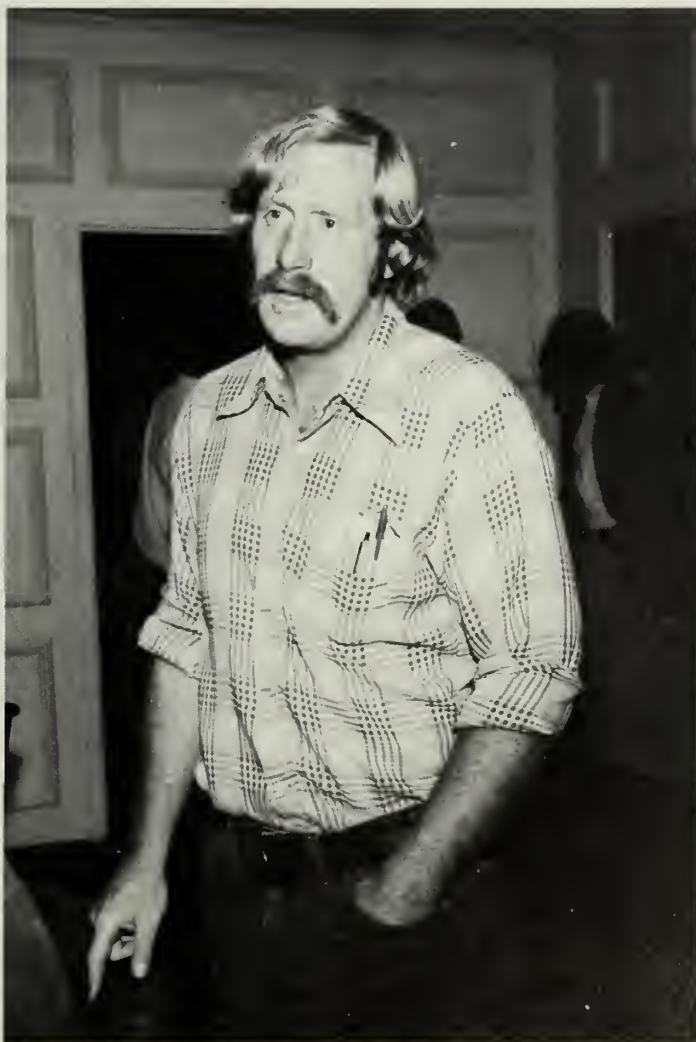

challenged with tasks such as creating peanut brittle over a Bunsen burner. Physics students are likely to be found with timers and weighted carts, or shooting projectiles and vectors at falling monkeys. In spite of the strange activities encountered, each is a part of a vigorous learning experience, each leading to a solid foundation of knowledge in the sciences.

ENGLISH

English at Governor Dummer, like everywhere else, is a must. From the time the students take their grammar tests prior to their freshman year, to the time they graduate in June of their senior year, the thought of English haunts every GDA-ite. However, there are certain moments in the many hours spent in English class that the student body will never forget. For instance, what could be more entertaining than watching a 250 pound football player trying to imitate Cheryl Tiegs' walk? Funny yes, but its purpose is to demonstrate that learning to communicate effectively involves more than writing expository essays. Spending an entire year analyzing provocative quotes while wondering whether or not the person being quoted exists is another stimulating experience. When springtime comes, and classes are occasionally held outdoors, the students feel that "learning really can be fun." Students reciting original poetry, accepting criticism about it from classmates, and always believing that they know more about poetry than Robert Frost ever did, is an educational opportunity only to be had at GDA.

MATH

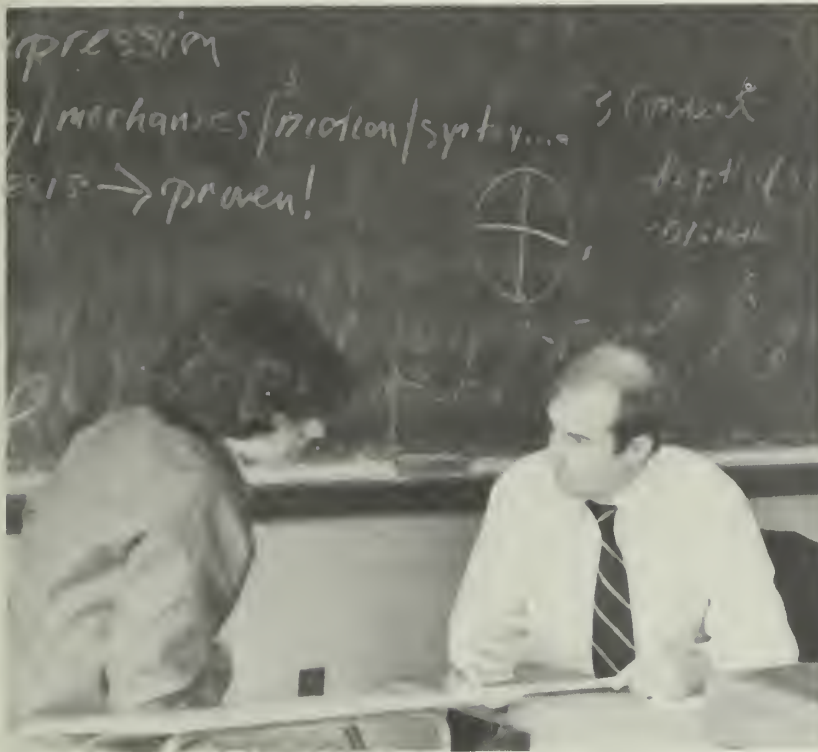

Governor Dummer requires three years of mathematics from all students. Although some students meet this requirement and are thankful for not being forced to take another year of math, many continue. The major reason for this is the type of teachers in the math department. Their unique characteristics and teaching methods make what is essentially a cut and dry subject, both challenging and interesting. When their students start to question the relevancy of the imaginary number system and fail to see how hyperbolas pertain to life, the math teachers all have their personal ways of steering their students back on the track (although perhaps after a short detour). Mr. Gosselin, after making an arithmetic mistake on the blackboard, will tell his students he was just testing them to see if they would notice it. Whether or not he makes the mistakes on purpose is still being disputed.

Mr. Foster frequently preach-

es, "Homework is your salvation . . . c'mon now, stop laughing - I'm serious." When necessary, Mr. Harrington entertains his students with his daring exploits as a summer policeman. Mr. Evans has no need to worry about entertaining students when he brings his dogs. More important than keeping their students happy, however, is that the math teachers know the subject thoroughly and are able to communicate this knowledge to their classes.

HISTORY

The history department at Governor Dummer forces a student not only to develop excellent study habits and self discipline, but more than many departments, it prepares the student for the long range projects he will encounter in college. U.S. History's infamous position papers are only one segment of the entire preparatory program. These position papers compel the student to take seemingly conflicting historical events and put them into perspective with

the times in which they occurred. The student must research thoroughly on his own, choosing a position which may conflict with the accepted one, but learning through his comparisons. Upperclassmen may choose to take Russian Studies. This course deals mainly with the political development of modern Soviet Russia, but it covers cultural aspects as well in the study of past literature and music. People who wish to explore a more personal level of history take

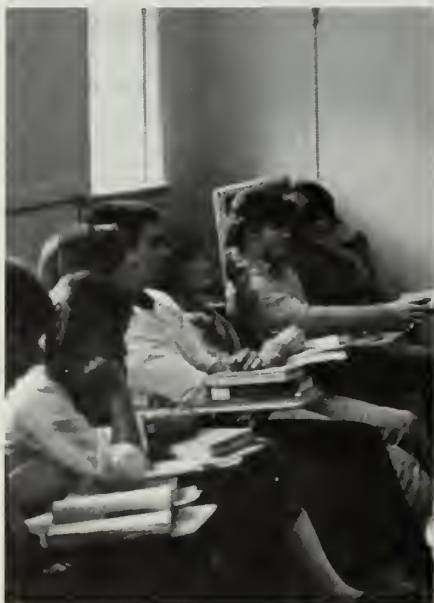

Sociology and Psychology which deals with man's social development. Our western outlook begins to comprehend the far eastern cultures after taking the Asian History course. Classes are varied with slide presentations of Oriental art, Shinto shrines and Japanese landscapes. For freshmen, the required Ancient History course gives students a knowledge of early civilizations that later became European cultures which compose our own western civilization. With these varied programs, from U.S. History to Sociology and Psychology, Governor Dummer ensures that each student is prepared for the contrasts in people from all societies.

LANGUAGE

Perhaps the most expressive teachers at Governor Dummer are found in the Foreign Language Department. Introducing a timid freshman into a foreign language class where no English is spoken, the student having never heard a word of the language before, is undoubtedly a challenge. Each teacher has found his or her own unique method of "simplifying" this challenge. Mademoiselle/Señorita Krall wraps herself into knots to relax herself and her students. Little does she know that they are all petrified that she is stuck in this pretzel-like position. Monsieur/ Señor Abu, however, feels that fear is really the only way to adjust these "new kids". Consequently he will stare at John while reciting a five minute question and then turn to Karen for the response. When he discovers that she has not heard a word he has said, he proceeds to kick her desk, just missing her leg. Señor White charms his estudiantes Españoles when acting out Garcia Larca. He is

even more charming to his galoshes which he beats viciously when the estudiantes displease him. Herr Guy wakes up his sleepy-eyed German scholars with his guitar playing, accompanied by heel clicking and folk singing. The class, on special occasions, also participates in this German musical festivity. The foreign language teachers are, as proven, indeed very expressive, but more important than that, "they really know their stuff".

Governor Dummer Academy offers a wide range of music for the students. All of these courses are half credit courses. This allows the student to expose himself to the arts without the time required of a full credit course. None of these courses require any musical background.

Three of the four courses, History of American Music, Music History, and Music Theory are for the most part study classes. Together the history courses cover music from the Renaissance through modern time. Music Theory deals with a more basic study of the sciences involved with music. Electronic music introduces the student to the newest form of music. This course includes work with Governor Dummer's Moog synthesizer and every aspect of recording. This course even gives the student a chance to compose his own music.

MUSIC

ART/PHOTOGRAPHY

Art is one of the most interesting courses offered at Governor Dummer. Art enables a student to experiment with his ideas and feelings and communicate them to others, especially Mrs. Mercer, the art teacher. As well as having fun, the artists are required to complete various art assignments using materials from wire and paper maché to water colors. At the turn of the winter season, artists are given a chance to display their work in an art exhibit held in the Parson's Schoolhouse Studio. Altogether, Art at GDA can be anything and everything- and as they say, "to each his own!!"

Photography is considered to be one of the most enjoyable courses offered. The photographers are assigned to produce various photographs, usually one per week. Subjects for these pictures could be "Hands & Feet", "GDA at Work & Play", or making a certain picture fit a certain poem. These titles are indicative of the type of creativity involved in this particular course. Photography also entails some pressure, namely pressure to get the assignments in

on time. Long hours in the darkroom, fighting the elements of light, dark, and dusty negatives, blurred prints or overworked chemicals proves challenging. Yet the blooming young photographers always seem to overcome these obstacles and often go on to establish renowned careers working for the MILESTONE or GOVERNOR. The talent, enjoyment, and effort involved in Photography can be easily seen in the students exhibits.

RELIGION

GDA offers two types of religion courses, namely A and B. The former is taught by Mr. Tindall and the last by both Mr. Tindall and Mr. Ufema. Religion A entails discussing moral and ethical issues, primarily current ones. the BIBLE is discussed occasionally in this course but by no means does it dominate the class. What does dominate are the questions such as "Who am I?" and "Where am I going?" Religion B deals "souly" with the BIBLE and the relationship between the Old and New Testaments. Many students are apprehensive about taking the course, but activities such as writing one's own obituary, keeping a daily journal, and writing a "Credo" really keep the students' spirits high and usually change their outlook on religion in general.

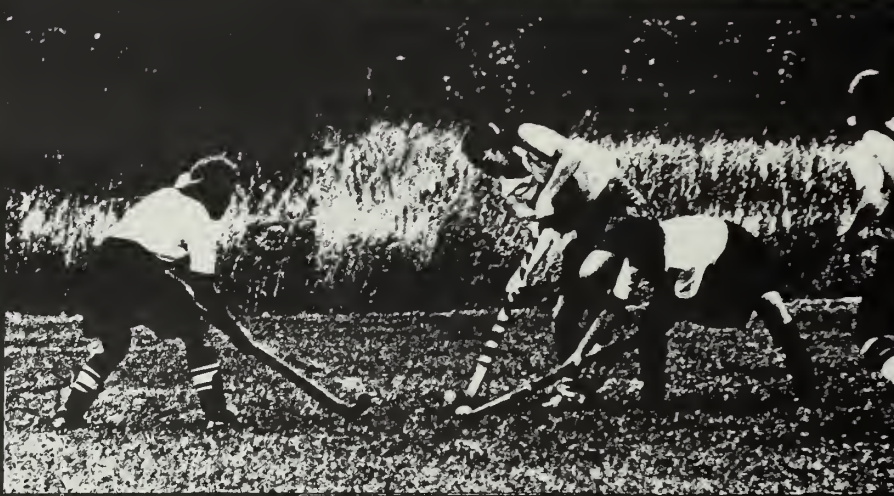

SPORTS

Fall

VARSITY SOCCER

Women Record First Winning Season

Co-captains Miller, Roorbach

This year marked the end of the beginning for women's soccer at GDA. After three years, a solid foundation has been built for the years to come. The last players from the original team graduate this year. During each season, the players gained new skills, and just as important, confidence and pride in their abilities.

Although nine starters will not be returning next year, there are other strong players from the Varsity and JV who will fill the ranks. Sue Perry is able to, and has, played almost every position on the field.

Coach Royal W. Leith

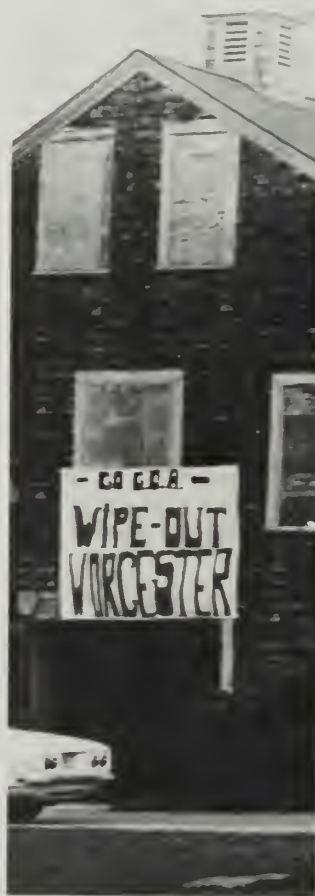

First Row: S. Potter, L. Sapuppo, W. Bixby, L. Miller, G. Roorbach, W. Silin, K. Saunders, A. Woodbury. Second Row: Mgr. J. Rosenthal, B. Lazo, S. DeGan, K. Post, A. McCullom, Mgr. C. Allen, Coach Leith. Third Row: S. Sullivan, L. Loudon, H. Perkins, S. Perry.

Her most outstanding performance this year, however, were in the goal. To say that the team had the two best goalies in the league would not be far from wrong. Sarah Sullivan was ready when Sue played another position. At fullback, Karen "Stonewall" Nault, Katherine Post and Bonnie Perkins have shared positions with graduating seniors Sue Potter, Kim Saunders, Wendy Bixby and Monique Cremer. These players were the "Big Feet" on the team. Sue scored two goals from behind midfield in two seasons. Kim and Wendy were consistent in their defense. Monique improved steadily throughout the season and played exceptionally well against Groton on Parents' Day.

The halfbacks will remain strong next year with the play of Sally DeGan and Benay Lazo. The line of "Woodbury, Miller and DeGan" first came into existence at Exeter and continued to be strong throughout the season. Abby and Linda shared the MVP award this year, showing the strength of this line. Sally perfected the penalty kick about halfway through the season and was unstoppable from then on.

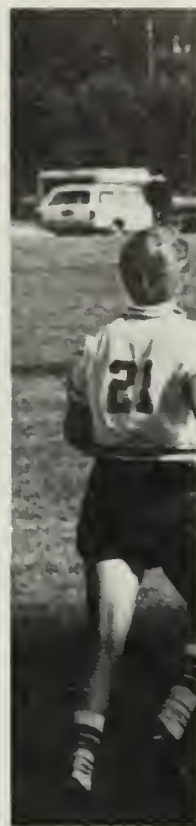

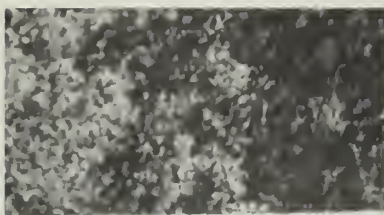

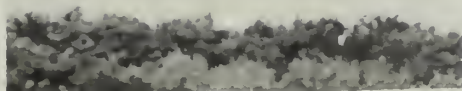

The forward line was outstanding this year. Lisa Loudon and players from the JV will have a tough time matching Lisa Sapuppo's school record of fifteen goals, Wendy Silin's corner kicks and the passing between center Gretchen Roorbach and the wings. It is not an impossible task and hopefully they will succeed.

Co-captains Linda Miller and Gretchen Roorbach, along with the rest of the team, would like to thank Mr. Leith and Ms. Corcoran for another great season and wish all future teams the best of luck.

The biggest goal of the year.

Men Fail to Come Up with Goals

Captain Smith

The 1979 varsity men's soccer team possessed a great deal of talent. Personality conflicts and an acute lack of togetherness, however, prevented the team from compiling what should have been a winning record.

Although hopes and spirits were high at the outset and were manifested in a rewarding tie with Exeter, the team's morale and success began to deteriorate. Despite Captain Dave Smith's spirited efforts, the team failed to get consistently and sufficiently psyched for each game. There was also a noticeable tendency to play at the opposing team's level instead of playing the aggressive, controlled style this team was capable of. These unfavorable factors resulted in losses to teams our players knew they could have beaten. Some impressive showings were made,

Coach Clunie

First Row: D. VanEtten, Am. Forsat, K. Nourizadeh, S. Perry, D. Smith, T. Rourke, M. Lanigan, H. Sizer, S. Cawley. Second Row: Coach Clunie, C. Stafford, S. Sperry, B. Bartlett, T. Wise, B. Rourke, H. Woodworth, T. Tommasi, Coach Mulligan. Row Three: C. Schwartz, G. Moore, D. Jones, W. Washburn, B. Cavanagh, P. Cavanagh, A. Woodworth, D. Lothrop, T. Landergan, R. Pendleton.

however. The victory over a powerful Brook's team was certainly the most well deserved and most gratifying win of the season. After dominating the play during the scoreless regular playing time, G.D.A. blasted in an overtime goal to wrap up the game. The team's tremendous play when under pressure also attested to its capabilities. Not one game was lost in overtime, while a couple were decided in favor of G.D.A.

The men's soccer team was, as characterized by Mr. Sperry at the Varsity Awards Dinner, a team that lacked the scoring touch. Even with All-League Steve Perry, fancy dribbling Amir Forsat, and constantly hustling Avery Woodworth and Dana Jones leading the scoring, the team was unable to score enough goals to ensure a good overall record. Because of this, coaches Clunie and Mulligan made endless changes in the front line, giving Will Washburn, Navin's Cup winner Stu Cawley, and many other forwards playing time. The solid performance of the halfbacks was led by Tom Rourke, Marty Lanigan, and the "Terrible Trio", all returning next year, consisting of Randy Pendleton, Carl Schwartz and Chris Stafford.

MEN'S V. SOCCER		1-7-83	GDA	OPP

The strong, reliable fullbacks depended upon All-League first team Khash "the screaming Persian" Nourizadeh, Peter Cavanagh, Tony Tommasi, and Dave Lothrop. The defense was also assisted greatly by the superb play of the goalies, Captain Dave Smith, who was an inspiration on the field and off, and next year's captain, Ted Wise.

With fourteen possible returning lettermen and some better luck, next year's team should provide some exciting soccer.

VARSITY FOOTBALL

Preparation, Dedication Set Tradition

Co-Captains Linn, Garnett

How many times has it been said, "What you get out of this depends on the effort you put into it."? This phrase, worn-out as it may be, was the epitome of the 1978 Varsity Football season.

The hard work began with rigorous summer workouts, which were not brushed aside and forgotten. Several players attended a "Championship Football Camp" during August. Even at that early date, members of the team believed the upcoming season was going to be very special.

The pace quickened as the

Coach Edward Rybicki

First Row: Mgr. D. Cross, Sc. Miller, D. Spears, C. Cornwall, J. Ronan, A. Linn, J. Garnett, B. Lindsay, B. Starr, T. Dagres, R. Whitten, Mgr. V. Ingram. Second Row: Coach Mechem, Coach Rybicki, R. Lovejoy, S. Nearis, T. Thomas, S. Tamposi, J. Perlowski, K. Callahan, M. Stephan, R. Cornwall, J. Squires, D. Callan, K. Laros, R. Theriault, C. Mahoney, Coach Beckett, Coach Harrington. Third Row: M. Tomlinson, S. Mason, A. Morison, J. Lennon, M. Palais, P. Carter, C. Teel, D. Shula, G. Bostwick, P. LeMaitre, B. Marvin, J. Pingree, P. Brandli, L. Whitten. Missing: Mgr. J. Espoito, T. Kawamura.

season approached. The drills were run at full speed which developed in the team a certain taste for hard hitting. At the end of every practice day, the entire squad ran "perfect plays"; as many as thirty 20-yard sprints, run in game formation. Thus every player was in great shape, mentally and physically, and the seven game challenge lay before them.

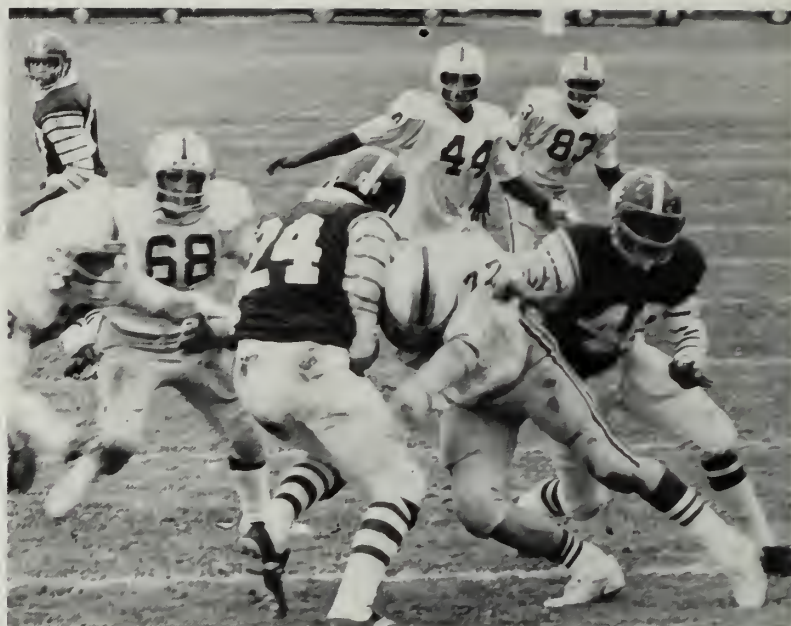

The results of the season were most satisfying. The record of 5-1-1 was the first winning season for varsity football in ten years. The one hundred fifty-five point total was the highest in school history. Not only did the team average twenty-two points per game, but it gained a total of seventeen hundred ten yards rushing for a game average of two hundred forty-five. This means the team rushed for just one hundred thirty feet short of a mile during the season.

There were several records set on the personal level. Brian Starr recovered eight fumbles, doubling the previous record. Marty Stephan caught five touchdown passes. Tony Thomas averaged an amazing 10.0 yards per carry. He also set an extra point scoring mark of twenty-four during the season. And Andy Linn, "The Sophomore Wonder", rushed for nine hundred nineteen yards. Andy's ten game career total was thirteen hundred sixty yards. Finally, nine players were elected to the All-League Team.

In football the success of an individual is partially a result of the performance of others. Credit must, therefore, also be given to quarterback Troy Dagues, fullback Derek Spears and the awesome offensive line of Dave Callan, Brian Starr, Scott Miller, Jeff Garnett and Bruce Lindsay.

Much of the season's success was a result of the instruction and leadership of the coaches; Head Coach Rybicki, Mr. Beckett, Mr. Harrington and Mr. Mechem. Coach Rybicki's unfailing spirit and enthusiasm clearly inspired the team and created within each of the players a tremendous desire to win.

As the seniors head for college, they hope that this season will provide a foundation on which future teams will build. The 1979 football team will be strong. They will bear the responsibility of the newly-formed tradition of being winners. One last point; congratulations to the winner of the season's Most Valuable Player Award - THE TEAM.

CROSS-COUNTRY

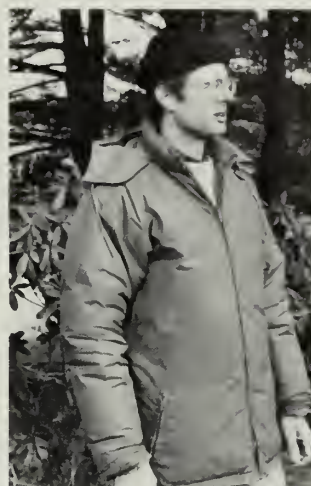

IMPROVEMENT THE KEYNOTE

Co-Captains Rosen, Putnam

A Cross-Country team with only one win to its record might be looked upon as a loser. In this respect, the 1978 team was a losing team. Granted the team did go into each meet realistically expecting to lose. Yet people forget how personally satisfying cross-country can be for each runner. To a spectator, it may have appeared that our loss-after-loss pattern made the running fruitless, but here is where the difference in the 1978 team lay.

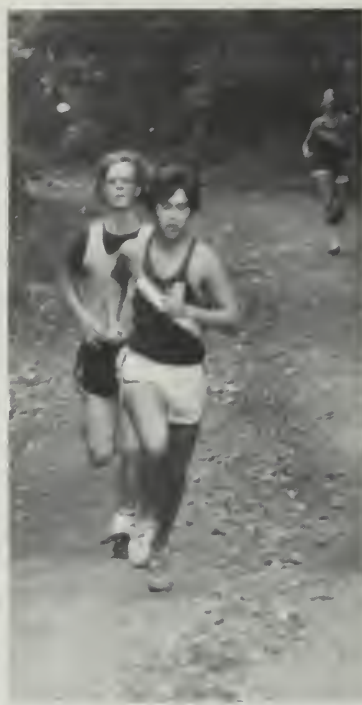

At the season's start, it was extremely difficult for this young

Coach White

First Row: N. Kalhori, D. Leathem, J. Benson, S. Putnam, H. Rosen, M. Woodbury, M. Weldon, C. Putnam. Second Row: Coach Foster, Coach Sargent, J. Voelker, J. Goodhart, T. O'Loughlin, C. Ireland, J. Horatanachai, B. Freeman, John Esposito, P. Suksangium, G. Putnam, Coach White. Missing: D. Ryan.

team to accept that it would not often come out on top. Yet, after several races, including one victory over B-B&N, the runners learned to look deeper. They looked for personal records (and almost always set them) and individual satisfaction in the races, even though each race was by no means a team victory.

Several outstanding team members were new to running, yet they made strong contributions to the season. Joe Benson was perhaps the most talented runner, and Coach White agreed that it was nice seeing one GDA runner in the top five in most races. Senior Co-captain H. Rosen, though he may not have raced as well as he thought he should have, contributed his consistency and steady leadership to the team. A second graduating senior, Mike Weldon, exhibited amazing ability and was usually not far behind Joe. Doug Leathem, a new junior runner, improved at least 50% by striving to catch Mike in each race. Unfortunately, various injuries prevented talented runners like Mark Woodbury, John Goodhart, John Esposito, and Jordan Voelker from fully using their abilities. However, they will return next year in full force.

One very positive aspect of the cross-country program was the girls' team. Consisting of Neda Kalhori, Clare Putnam, and Co-captain Sarah Putnam, this small team held its own, losing to Andover by a mere point! The girls practiced with the boys and demonstrated considerable respect for running. Unfortunately, the team lacked numbers, as it will again next year, yet the individual abilities of each girl were remarkable enough to carry the team far.

The cross-country season of 1978 could be termed a poor one, yet if one looks below the surface of a win-loss record at the PR's of Mike or the lightning speed of Joe, one can see why the '78 team was special in a personal way. The best of luck is wished to Coaches White, Sargent, and Foster, and Captain Joe Benson for a Satisfying 1979 season.

VARSITY FIELD HOCKEY

Attitude and Teamwork Key

Captain Blake

The 1978 field hockey team was a great team, and it had nothing to do with whether they had a winning record or not. The attitude and teamwork demonstrated by the team is what made it great.

Last year's team consisted of a group of eleven individuals moving in eleven different directions, but this year it was a different story. The team was one unified group of eleven players, working together towards one goal. When they lost, they knew it was a team loss and not any one individual's fault, and when they won, they knew it was through

Coach Clark

First Row: L. Evans, J. Duff, P. Kurtz, M. Blake, J. Cook, K. Coffin, A. VanEtten. Second Row: Coach Clark, G. Lattime, H. Mackay-Smith, R. Tye, A. vonHenneberg, H. Perkins, S. Lee.

the efforts of every player on the field. There was no criticism on the field, and everyone was working to support and help his teammates.

This teamwork was evident as the team came from behind to win its last two games against Middlesex and St. Mark's. The team members knew that they could beat anyone if they only played together and worked up to their potential.

One of the highlights of the season was a 1-1 tie against an undefeated Exeter squad. Governor Dummer was up by one, with only seconds remaining in the game, when a determined Exeter player shot and scored, tying the game as the horn went off.

Special mention must be made of the coach of the team, Miss Clark. A team cannot be great without a great coach, and this team is no exception. She gave the girls

the support and encouragement they needed, as well as teaching them the necessary skills. They knew she believed in them, and, as a result, they believed in themselves. Her positive attitude was reflected in each and every one of her players. The field hockey team would also like to thank Miss Jeri Dorso for getting its members into the good physical condition necessary for playing the sport and for helping out in all possible ways to make the 1978 season a successful and enjoyable one.

This year's field hockey team was a great team. The members were proud of their accomplishments and demanded the respect of everyone they played and of everyone who watched them play. With positive attitudes, they worked together to achieve a goal.

Winter

VARSITY VOLLEYBALL

Team Records Second Winning Season

Captain Woodbury

Although the girls on the Volleyball team did not quite meet their aspirations, the '78-79 season was a good one. Considering the team had lost four members from the previous season, the 6-4 record was a commendable one. Losing only one member to graduation, the team will be one to watch next year.

The team had its ups and downs just like any other. The season began on a positive note with the match at Dana Hall. Although the team lost, their performance in the second game of the match was admirable. The girls

Buckingham-Browne & Nichols	2	1

playing in this tough match bolstered their spirits and made them look forward to the remainder of the season. Their confidence, however, was short lived. After winning the first game of a match the team became a little too sure of themselves. The match with Pingree aptly displayed this. GDA won the first game 15-4 but then Pingree turned it around and won the match. Disappointments such as these gave the girls the gritted determination to win very tough matches. The last game of the season was B-B&N. The opposition won the first game but GDA scraped through the second game overcoming them by a mere two points. The final game was hard fought and nerve-racking but through their concentration the GDA girls emerged as victors.

As in many other sports, volleyball is a game of teamwork. Each person must be skilled in all areas. All the girls had these qualities but each specialized in certain areas: Ginger Bushell in diving for seemingly impossible balls . . . and getting them; Liz Evans (unanimously voted best looking in her shorts) with her accurate sets for Vinca Ingram's deadly spike; Benay Lazo's powerful serve and spike; Sally DeGan's rolling-around-the-floor technique which always seemed to return the ball; Carol Sterge's unpredictable spike; and Sally Lee's bullet serves. The combination of these qualities and teamwork served the squad well in all of their contests.

In learning all of the techniques the team was aided by two very adept veteran volleyball players: Khash Nourizadeh and Amir Forsat. The team deeply appreciated all the help and support they gave the team.

As a spectator might attest, volleyball is a strenuous and emotional game. Constant pressure is placed upon the player and this creates great strain. Coach Clark was forever convinced that she was developing an ulcer from all the "cliffhanger" games; she did not understand they were done that way for effect. Being able to play home matches was beneficial for the volleyball team this year. All the support and cheering was greatly appreciated. Come again next winter for an undefeated season!

VARSITY BASKETBALL

GDA Enjoys Another Talented Ballclub

Co-Captains Williams, Spears, Thomas

The '78-'79 Men's Varsity Basketball team had another excellent year, starting it off with three consecutive victories before the Christmas vacation. But vacation for them meant a trip to New York to play two city teams. They played their first game the same day that they travelled down. After trailing in the first half, the team fought its way back to a victory. Their second game ended up in the team's first real loss of the season. But the team was not dispirited because the play was consistently strong and aggressive.

The team had definitely established its stars. Up in the guard positions were Jeff Williams, a returning letter winner, and Jim Ronan. Their aggressive defense and aid in rebounding were a great

Coach Tindall

First Row: J. Perlowski, J. Williams, D. Spears, J. Ronan, T. Dagres. Second Row: Coach Tindall, D. Jones, K. Callahan, T. Talley, T. Thomas, R. Cornwall, P. Carter, Mgr. M. Winer. Missing: Mgr. Long, Mgr. Frost.

asset to the squad. Down in one of the forward positions was the new man on the team, Terrence Talley. His great jumping ability was a major factor in so many of the rebounds he nabbed. This jumping ability, along with his quickness, was the reason for his excellent average of 15.2 points per game. At the other forward position was three year man Tony Thomas, whose speed and creative play was a major factor in bringing the team to the tournaments. His average of 29.5 points per game along with his tremendous defensive skill, turned this season into an exhibition of exciting basketball. His terrific tournament play won him Co-MVP honors for the New England tourney. Tony also scored his one thousandth point about midway through the season. Derek Spears wraps up the starting five. A four year letter winner, Spears has nabbed 892 career rebounds for an average of 13.1 "bounds" per game. Derek, along with Tony, has seen the team come from a young, inexperienced team to the champions that they are, with these two taking much responsibility for this achievement. Watching the trio of Spears, Thomas, and Talley is exciting because of the teamwork and companionship they exhibit towards each other and to the other members of the team.

After returning from vacation, they dropped their first league

game to Thayer, playing without starting guard Jim Ronan, out with an ankle injury. After this loss, they won the rest of their league games, finishing up the season with a loss to Tabor in front of a great home crowd. During this time, the play from the bench was progressively improving. Kevin Callahan and Dana Jones adapted well to the guard position while Troy Dagues, John Perlowski and Paul Carter were learning the ropes of the big men. Spears sprained his ankle during the Tabor game, putting him out for the ISL tournament. But the bench responded well to pressure with Perlowski, Jones, Callahan, and Dagues all starting a game or two in his absence. They lost to Thayer for the league title with Thomas leading the team with 37 points and 27 rebounds. The New England tournament lay ahead, and with any luck, they hoped to play Thayer again. In the first game of the tournament they beat Belmont Hill. This victory advanced them to the semi-finals against Hyde school from Maine, which ended in an exciting victory for the Governors. Spears began working out again and the team was psyched for the championship game against Thayer. The team played hard, and with Derek back the rebounding strength was strong. Six and eight point leads during the game diminished and in the final seconds, Thayer put in a lucky hoop, beating the Governors by one point with no time remaining on the clock.

Seniors leaving the team are Derek Spears, Jim Ronan, Jeff Williams, John Perlowski, and Troy Dagues. Thomas and Talley will return to take charge of the '79-'80 season. The team sadly missed second-year man Rupert Cornwall who was unable to play after Christmas vacation.

Young Team Hangs Tough

This year's Women's Varsity Basketball team was a young team. It consisted of three seniors, two juniors and three sophomores, and only three of these players were returning lettermen from the previous season. At the beginning of the season, the players had a lot of potential skill, but they lacked the necessary game experience, both as individuals and as a team. They were hardworking, however, and much progress was made in both regards. The team began its season with six games on the road, a tough situation for any team, and

Coach Goose

also lacked Randy Tye, their big man, out with an injury. Unfortunately they returned home having won only one game against Middlesex. Spirits were low, but their determination was great. The next six games were at home, and the team was determined to put the losses behind them and to go out and win. And win they did. The next four games were Governor Dummer victories by rather large spreads. The Streak began with the crushing of a much weaker St. Mark's team, culminated with a solid victory over the team's rivals,

First Row: S. Perry, S. Sullivan, M. Blake, J. Duff, A. VanEtten. Row 2: Coach Gosselin, Mgr. Griffin, R. Tye, A. VonHenneberg, Mgr. Trayers, Mgr. R. Nanian. Missing: W. Silin, A. McCullom.

St. Paul's, and ended with a decisive win over an aggressive Worcester Academy squad. The team was on fire with everyone playing well and more importantly, playing as a team. In the next two games GDA suffered defeat at the hands of the two best girls teams around, B. B. and N., and Noble and Greenough. Despite the girls efforts, these teams were too much for them to handle, although they did not give up without a fight. In the last game of the season the team defeated Pingree School for the second time

during the course of the season to round out their record to 6-7.

Moments of brilliance were seen on the court as Sue Perry sank incredible hook shots, Randy Tye and Antea von Henneberg snagged rebound after rebound, and the alert guards set up ingenious plays, while Coach Gosselin yelled from the bench.

Most valuable player awards were presented to both Randy Tye and Sue Perry at the awards dinner. For where would the team have been this season without Randy's rebounds and lay-ups or Sue's unbeatable drives?

This team came a long way during the course of the season, and with two years remaining for many of the players, Governor Dummer can look forward to great girls' basketball teams in years to come.

NORDIC SKIING

Skiers Grab Fourth in ISSA's

Co-captains Miller, Putnam

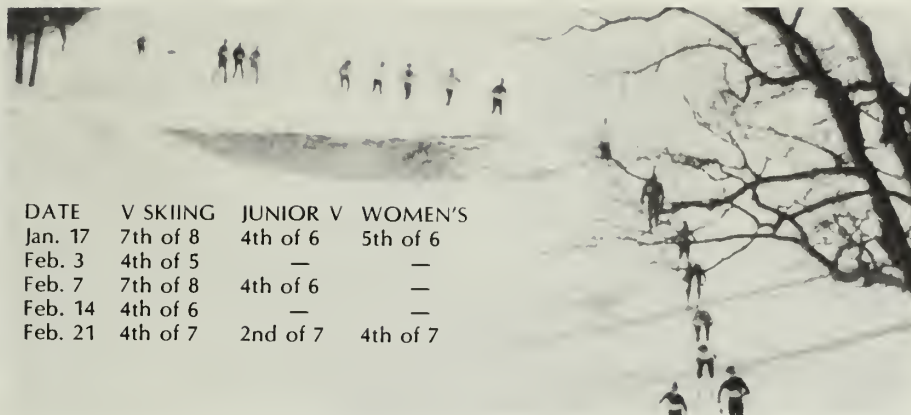

A mere glance at the record of GDA's Ski Team this season may not be sufficient in arousing much acclaim. It's an average record; it could be worse, but it could also be better. In order to recognize the awesome feat of the 1979 Nordic team, an interested follower must then delve back into the dark history of Governor Dummer skiing, as far back as three years ago, even. Observing these past records, one would see a team with absolutely no wins to its name! For example, in ISSA championship meets, GDA would place eighth out

Coach White

DATE	V SKIING	JUNIOR V	WOMEN'S
Jan. 17	7th of 8	4th of 6	5th of 6
Feb. 3	4th of 5	—	—
Feb. 7	7th of 8	4th of 6	—
Feb. 14	4th of 6	—	—
Feb. 21	4th of 7	2nd of 7	4th of 7

of eight teams or seventh out of seven teams! How much worse could things get?

This is where one begins to perceive the great ability of this year's Ski Team. A considerable increase in numbers was a basic asset; but more than this, the GDA skiers really began to ski seriously and to see that Governor Dummer was within striking distance of schools like Middlesex, Concord, and Lawrence. With Mrs. Corcoran assisting Mr. White, the team was actually able to accomplish this goal.

To put the matter in short, Governor Dummer skiers pulled themselves up and proceeded to defeat Middlesex (and four other schools) in this year's ISSA championships. For every skier, this had to be the day to remember; GDA placing fourth right behind those powerhouses, Belmont Hill and Nobles!

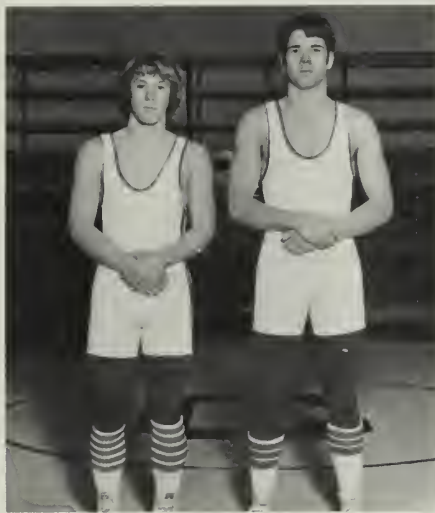

Jim Miller consistently placed in the top ten at the ISSA's, a feat unheard of in the past few years. Sarah Putnam led the girls by finishing in the top five. Both of these seniors will be sorely missed. However, next year's captains, Bill Bartlett and Peter Morse, also had strong races. The JV team promises much for future seasons by finishing second out of seven teams in the last meet this year. It is unfortunate that no meets remain for Governor Dummer to further prove its true skiing potential, but just wait; who's to say that the Ski Team won't pick up next year just where it left off (victoriously) this year?

VARSITY WRESTLING

Talent and Team Pride

The wrestling team had a very successful season. They tied for first at the Holiday Tournament, compiled a 8-4 record, came in third in the league, and with half of their original members out with injuries, came in fifth in the final seventeen team Graves-Kelsey Tournament. This record doesn't show how good this team was however. Eight wrestlers compiled personal records with a win-loss ratio equal to or greater than 3:1 (with a math teacher as the coach, that one couldn't be resisted!) Andy Morison placed first in the New England Tournament. Brother Mike took a third. Both Morisons and Chris

Co-captains Cawley, Bigelow.

Stafford took first's at the Holiday Tournament and seconds at the Graves-Kelsey Tournament. Hal Sizer, Tom Bigelow, and Dave Callan got second's at the Holiday Tournament. Dave, Tom, and Gary "Bonehead" Bostwick each placed third at the Graves-Kelsey. Co-captain Stu Cawley, Hal Sizer, and Steve Wall all made significant contributions while healthy. Despite the success of these individuals and the magnificent job done by the other members, injuries and luck prevented the team from reaching the undefeated season it deserved.

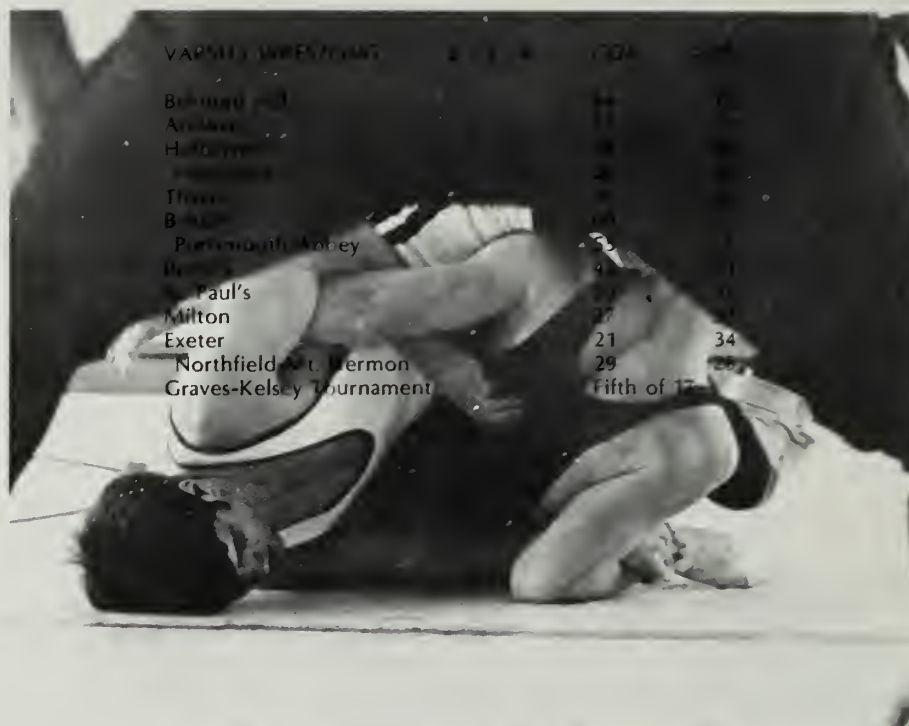

Although wrestling seems to

be an individually oriented sport, team unity and pride often make the difference between a good team and an exceptional one. This team was an exceptional one. The closeness of its team members and the effect this had on them can only be understood by those who saw them in action against Milton or in the victories over Belmont Hill, Andover, Brooks and the tri-meet with B-B and N and Portsmouth Abbey, where GDA piled up two shutouts and 115 team points.

Many thanks to the dedicated coaches, Mr. Evans and Mr. Cole, and our many supporters, Al Gay, Mr. Ragle, Mr. Clunie, Mr. Mulligan, parents and students. Best of luck to Coach Evans, Co-captains Callan and Stafford, and the promising '79-'80 team.

VARSITY HOCKEY

Hockey On The Way Up

Co-Captains Smith, Perry

The 1978-1979 varsity hockey team was a team that realized its full potential when basics, hustle, and discipline took a role in play.

The necessary attitude, discipline, and concentration were apparent even before the season began. During the pre-season, all the candidates went through conditioning involving running and weightlifting.

Upon the start of the season, GDA hockey was predicted to end up in a dismal eighth place in an eight team division. With some satisfaction, GDA found itself in competition for fourth place with Brooks.

The first nine games of the season indicated inconsistency, with severe score differences in

identically matched games. The remaining seven games proved more consistent and successful with a 4-2-1 record. This was probably due to reorganization of personnel.

The highlights of the '78-'79 hockey team came in the Bishop Fenwick, Middlesex, and St. Mark's games. Governor Dummer beat Bishop Fenwick, which came in second place in the Catholic Conference, by a score of 6-2. GDA also beat Middlesex, which won the Eberhart Division, by a score of 6-3. GDA did not beat St. Mark's, but in a game that was 5-0 going into the third period, GDA demonstrated persistence and great ability by narrowing the final score to 6-5.

Although the team became frustrated after handling a strong Middlesex squad and losing to much worse teams, it soon took

pride in its efforts and by the end of the season, looked back upon its record with satisfaction. During this year the team broke the school record for most points in a season and most assists. More importantly, of the nine major scorers, eight are returning, and as a whole, twelve of seventeen players are returning for the '79-'80 season.

Many of the team's most dependable players were underclassmen. Peter Starosta, Robert Sudduth, and Marty Lanigan, who was tied with Dave Smith as the leading scorer, all made valuable contributions. Other outstanding members of the team were recog-

nized at the Varsity Awards Dinner. That night, both captains, Steve Perry and Dave Smith, who were three and four year letter winners respectively, received coach's trophies. Dave Lothrop, a three year goal tender for the team, was awarded the MVP. Also for the second year in a row he was selected for the first team All-League.

The most rewarding aspect of this season was the consistent improvement made under the guidance of Mr. Harrington. The team's dedication and hard work impressed all who watched them or played against them.

WINTER TRACK

Winter Track Sometimes Overlooked

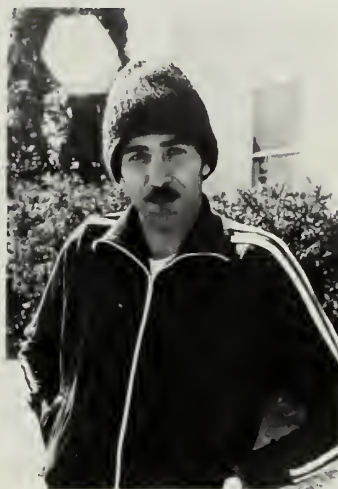

Captain Miller

Being successful in track does not necessarily mean one must place first in a race. One may successfully compete by improving one's previous best effort. This year's Winter Track Team was successful both individually and collectively.

With the support from Exeter's indoor track facilities, optimistic attitudes and team cooperation, the Winter Track Team finished with a winning record.

The team started the season with various informal meets and

Coach Abusamra

First Row: P. Diamond, D. VanEtten, S. Miller, A. Linn, M. Daher; Second Row: A. Wicander, G. Putnam, Coach Abusamra, J. Lennon, J. Gardner, M. Woodbury, Coach Foster, N. Kalhori, L. Sapuppo. Missing: C. Cornwall, S. Nearis, M. Palais, R. Theriault, R. Whitten.

road races and progressed to formal meets. A disappointing loss to Methuen was followed by a victory over the latter later in the season. The Invitational Meet with Exeter and other sea coast teams provided a good opportunity for G.D.A.

The team proudly racked up a total of 29 points, with 19 ribbons and 3rd place overall in the Interscholastic Meet. MVP winner Andy Linn was the "star of the day" as he took 1st in the 50 and the 300 yard dashes.

Peter Diamond's 43 foot toss won him a second place, while Derek Van Etten placed 5th in the high jump. Cedric "Chief" Corn wall placed 3rd in the finals of the 50 yard dash and Roger Whitten placed 5th in the 300 and the 500 yard dashes. The distance crew added their share of points with Matt Palais' 3rd in the two mile run, and the team of Matt Palais and Jim Gardner worked well also. The team's highlight was the revolving relay which included Andy Linn,

Captain Miller, Roger Whitten and Derek Van Etten.

For the first time in its history, Winter Track had a girls' team, which ran in meets against Pingree, Andover and Methuen. In their meet against Methuen, Ann Wicander placed 1st in the shot, Neda Kalhori placed 1st in the mile and 3rd in the 1,000. Gretchen Putnam, also a distance runner, left at mid-season with a hip injury. Sprinter Lisa Sapuppo won both the 50 and the 300 yard dashes.

Special thanks to coaches Abusamra and Foster for their encouragement and guidance and finally, good luck to the Winter Track Team of 1980, led by Captain Jim Gardner.

Spring

LACROSSE

Women Win Northern Division I.S.L. Title

Co-Captains Duff and Woodbury

The Women's 1979 Lacrosse Team started the season with no greater talent than in preceding years, but even on the first day of practice, people could feel that the combination of players was one of the best. As the season began, the girls welcomed the return of Sally Lee and her antics, which kept the team alive. Early on, it was apparent that the Governors would field three of the most high-powered scorers in the League.

Julie Duff, the team's M.V.P., twisted and turned to shoot and score from impossible positions.

Coach Clark

First Row: L. Miller, H. Perkins, A. Woodbury, J. Duff, E. Evans, B. Lazo. Second Row: S. Perry, S. Lee, H. Mackay-Smith, A. Von Henneberg, F. Lynch, K. O'Leary. Third Row: Coach Clark, D. Baker, S. Hildreth, A. VanEtten, G. Roorbach, Manager A. Castle.

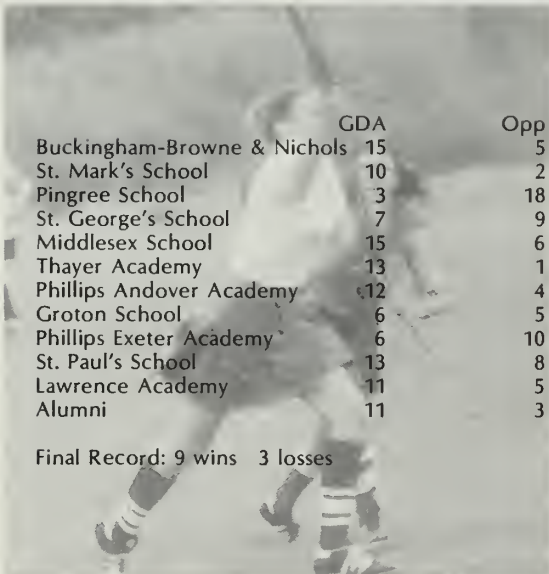

Ashley VanEtten chose impossible angles to shoot from and often scored on a quick stick from Duffer or Von Henneburger. Antea not only assisted on many plays, but also scored on amazing shots which she consistently put over the goalie's heads. But this year's team was a team in every sense of the word, and only one or two players failed to score. Liz "I scored a hundred goals but I wish I played better" Evans and Linda "the perfect center" Miller continued a friendly rivalry throughout the season which put them both in double digits in the scoring column. The team's two-way man, Abby Woodbury, surprised a few goalies with new kinds of shots and she also surprised everyone with her great defensive playing at the other end of the field.

A great team must have a balance of defense and offense. This team was great for that reason. Gretchen Roorbach, self-appointed Best Third Man in the League, stopped many threats from really developing by intercepting the opposition's passes around the mid-field area. At the end of the season, Coach Clark said of Gretchen's title, "I have to agree with her." Felicia Lynch became the quarterback of the defense and always was the first to react to an overload — and usually dealt with it successfully. Kathy O'Leary and Heather Perkins were strong and steady players in each game. Benay Lazo, voted the Most Improved Player, and Helen MacKay-Smith provided the bench support that every team needs, but not many get.

Last, but not least, it is hoped that the Groton game will never be forgotten. Dedicated to Sue Hildreth, it was the most intense and rewarding game of the season. Unbelievable all year long, but especially in this game, goalie Sue Perry made thirty-eight of the most difficult saves of her career. Inspired by this effort, the girls acquired a 6-5 victory which later enabled them to win the Northern Division Championship of the Independent School League. Manager Abby Castle and Coach Clark felt their efforts had been rewarded by this win over a team that usually beats the Guvs. The team extends its thanks to these two ladies who drilled, encouraged and sparked the team on to a victorious season.

Mr. Evans Wins 200th

Captain Williams

"This is a ball. This is a stick. The ball goes in the stick."

Mr. Anderson

The 1979 Varsity Lacrosse Team had considerable difficulty understanding such a highly complicated, detailed explanation of the fundamentals of the game. This lack of comprehension led to three of the four losses suffered this season.

The season began with romps over Northfield-Mount Hermon and Rivers. The team had not,

however, gained the experience of playing a solid team. Holderness was such a team; unfortunately the Governors were unable to weather the storm. They then defeated Exeter in a close game, only to lose to a well disciplined St. Mark's in the next one. Buckingham-Browne & Nichols next fell to a productive scoring display.

Winning the following game against Winchester High School was of great significance. Not only did the team defeat a very strong and successful opponent, but the win was Mr. Evan's 200th lacrosse victory . . . an amazing accomplishment. Few men possess his qualities of durability and consistency.

As an encore Lawrence Academy was smothered in the 93° heat of May 9th. On Reunion Day, however, the brief winning streak was snapped by Pinkerton Academy. In a struggle to regain their winning ways, lack of consistent stickwork and enthusiasm led to limited ball control. Thus a defeat at the hands of Phillips Andover preceded a resounding win over St. Paul's School.

Yet, in the last part of the season there emerged a leader for the offense — Dave Callan. He scored three goals against St. Pauls, then five of the seven goals scored in the narrow defeat of Noble and Grenough. Callan, along with Tom Rourke and Hal Sizer accounted for almost half of the team's points for the season.

The triumphant climax to the season came against Tabor. The team really wanted the victory and the play during the game reflected this desire. The players operated as a team should, as a single unit working with a definite purpose. A resounding 13-3 win enabled the Governors to regain the Tabor Cup. Callan, Avery Woodworth and Jeff Garnett each scored hat-tricks. It was a most satisfying win for all.

This year's MVP award went to Jeff Williams, the Captain, whose unselfish shift from mid-field to defense greatly aided the team. His quiet leadership and consistent play was an inspiration to all. Chris Stafford will be next year's captain. GOOD LUCK!

BASEBALL

Mental Mistakes Hurt Varsity

Captains Miller, Starr and Dagues

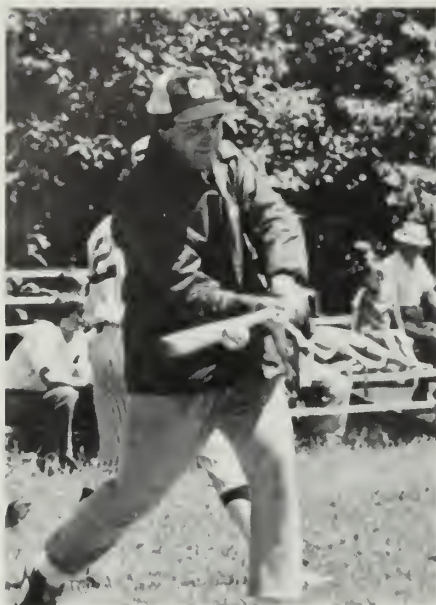

The 1979 Varsity Baseball season was at best disappointing. The final record in the league was 3 - 9. What hurt the team most was mental lapses in the late stages of many games. The defense made frequent errors on easy plays and the opponents capitalized to score enough runs to win. In five of the losses the winning runs were scored in the last or next to last innings.

Coach Moonves

First Row: S. Moheban, R. O'Keefe, S. Miller, T. Dagues, B. Starr, R. Theriault, S. Perry. Second Row: Coach Metz, P. Starosta, P. Brandli, M. Reilly, M. Stephan, R. Griffin, M. Lanigan, T. Tommasi, Coach Moonves. Third Row: M. Hefford, M. Winer, G. Moore, C. Teel, J. Pingree.

The season opened on a bright note with the team placing second in a tournament at Providence. The team came through with clutch hits, good pitching and good defense, all of which would have been helpful throughout the remainder of the season.

The team lost its first four league games. Roxbury Latin scored unearned runs in the eighth and ninth innings. Brooks scored an unearned run in the last inning to tie the game and eventually went on to win in extra innings.

The Governors won their first game since Providence by beating Tabor, a non-league team. Good offense and defense highlighted the game. Marty Stephan and Jon Pingree led the hitting attack with three safeties apiece and Troy Dagues pitched well in relief to ice the victory.

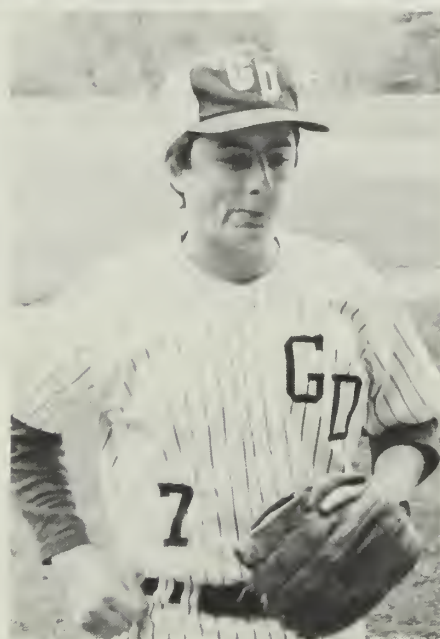

The good brand of ball did not last. Against Thayer, five errors in the second let in five runs. Meanwhile, the Governors could manage but one hit in the game. However, on the following day, clutch hitting and stellar pitching by

Alumni	7	6

Final Record: 5 wins 9 losses

Dagres featured the first league win of the season — a shutout over St. Mark's.

Brian Starr started against Rivers and pitched well enough to win. However, a three run uprising in the 6th inning, assisted by shaky defense, allowed the winning run to score late in the game once again.

The highlight of the season was the 4-3 victory over Belmont Hill. Dagres pitched well again, and the defense came through with timely plays. A come-from-behind victory over St. Sebastian's showed the clutch hitting was there. However, the team was not able to sustain the short two-game win streak and fell three more times before a long and difficult season was completed.

Inconsistency and inexperience were co-conspirators throughout the spring. Nine returning lettermen next year should alleviate some of this year's problems. With a few good bounces and more mental alertness, next year's co-captains, Marty Stephan and Steve Moheban should be able to lead the team to a better season.

TRACK

Desire and Determination Pay Off

Captain Linn

The 1979 Varsity Men's Track Team captured the spirit of competition throughout the season. The desire to perform well and to win seemed to fill all who were on this team. The drive to perform to the highest of one's potential and the desire to finish first pushed the team to many victories. Injuries to key members of the team early in the season hurt, but didn't dampen the enthusiasm. Even the more persistent injuries that plagued some team members couldn't prevent them from competing. Khash Nourizadeh, Amir Forsat and

Coach Rybicki

First Row: E. Baum, S. Booth, B. Tallman, A. Mason, D. Leathem, D. Shula, M. Woodbury, J. Lennon, D. Critics, E. Markos. Second Row: J. Benson, M. Daher, B. Voelker, C. Cornwall, A. Linn, A. Forsat, A. Ahari, K. Nourizadeh, D. Van Etten. Third Row: Coach Sperry, Coach Abusamra, J. Cole, H. Sadeghi, M. Rasbury, S. Sperry, S. Wall, T. Tally, K. Callahan, P. Diamond, J. Gardner, M. Palais, K. Laros, J. Squires, Coach Ufema, Coach Rybicki. Fourth Row: Coach Sargent, J. Montealegre, A. Pischdotchian, R. Huettner, T. Persinos, R. Ireland, C. Gemmer, T. Parigian, T. Berkson, R. Aranosian, D. Brackbill, S. Galloway.

Abner Mason, one of next years co-captains, were in this category. Their performances throughout the season brought in many points which contributed to the team's victories. The desire to win also manifested itself in several "come-from-behind" performances. MVP Andy Linn and next year's other co-captain, Joe Benson, could never be counted out before the end of any race.

Natural talent and desire to win are a great combination. The season started well with wins over Methuen High JV's Masconomet Regional and good performances in the Exeter Relays. Injuries and sickness weakened the team for a critical meet against Thayer. However, fine field performances and fantastic running left the outcome of the meet to be decided by the mile relay teams. Unfortunately, victory slipped away on this day.

Later in the season, arch-rival Milton Academy brought the meet down to the final event in a triangular confrontation with Buckingham-Browne & Nichols. Steve Wall had won the pole vault after coming off a sick bed and Mason's injured leg didn't prevent him from taking a third in the long jump. This time the relay team

came through and the Governors came home with a narrow, but well-deserved victory.

Some people think that track is an individual sport. And, of course, it is true that each individual must perform. But it is more important to think of track as a team sport. The way the individual performs is affected by other members of the team and in turn this performance affects others. The 1979 Track Team worked together and won together. The spirit of competition that flowed throughout the team made performing more important than injuries. And the desire to perform at one's best gave the team a winning season, and gave each individual more confidence in himself. The 6 and 2 season was satisfying, but to have grown and watched others grow was by far the more important.

Women's Track Sets New Records

Captains Kalhori and Stephan

Women's Track had expectations of an outstanding season, but all was not smooth sailing; the dreary weather, lack of depth and experience and the loss of 1978 MVP Kathy Coffin all hurt the team. Spirits were lifted high by an opening meet win over Masconomet Regional High.

Like many of the GDA teams, women's track ran into some tough competition. Meets with Phillips Exeter and Andover Academies and Triton Regional High School tested the team depth and strength. The girls also ran against schools of our own size and did well indeed.

Coach Dorso

First Row: S. Miller, M. Andrew, A. McCullom, N. Kalhori, J. Stephan, L. Sapuppo, S. Putnam, H. Davis. Second Row: Coach Dorso, G. Lattime, J. Graf, C. Dane, E. McCarthy, L. Durland, R. Fasciano, V. Ingram, D. Shula, C. Putnam. Third Row: E. Baum, W. Silin, S. Plante, A. Wicander, K. Saunders, E. Markos.

The sprinters this year were pretty much the same as last, but with the addition of two newcomers — sophomore Ann McCullom and freshman Dara Shula who ran well in the 440 and 220 dashes. Sue Miller set and broke her own record in the hurdles and Lisa Sapuppo ran well in the 100 and 220 yard events. The 440 relay team consisted of Co-captain Johanna Stephan, Ann McCullom, Sue Miller and Lisa Sapuppo. They established a new school record of 55.9 at the Interscholastics held at Exeter this year.

The distance runners were also strong this year. Co-captain and MVP Neda Kalhori broke her own record and the school record in the mile run. Sarah Putnam ran well in the 880 and 2 mile run. Heather Davis also performed well in the 880. The mile relay team of Miller, Shula, Davis and Stephan established a new mark of 4:46.0 in the Milton meet.

In the field events three new records were established. Gail Lattime, number one in the javelin event, made a throw of 98'5" against Phillips Exeter. Ann Wicander's discus throw of 85'5.5" put her name on the Records board and Kim Saunders put the shot 31'6" against Keith Hall. Although she did not establish any records, Wendy Silin placed in many of the meets in the javelin and shot events.

With five seniors who have contributed heavily to the point totals graduating, the experience gained by the underclassmen this year should prove invaluable to the success of the team under Captain Neda Kalhori.

TENNIS

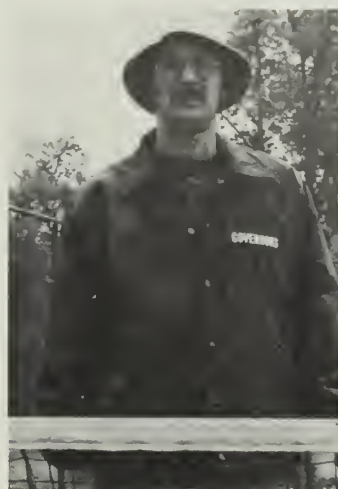

Couldn't Put It Together

Captain Hatfield

The Varsity Tennis Team suffered through a long and difficult season. There were a number of talented players such as MVP Dean Harrison, Captain Jeff Hatfield, Bill Bartlett, Will Washburn, Dave Hatfield, Andy Morison, Jon Morrisey and Jeff Bennett. However, they could never put it together as a team to pull out some of the tougher matches.

Early wins against St. George's and Noble & Grenough led some to believe the magic of the past two seasons would continue. However, time proved that it was not to be.

Coach Harlow

First Row: J. Morrisey, J. Bennett, D. Hatfield, A. Morison. Second Row: Coach Harlow, J. Hatfield, W. Washburn, D. Harrison, B. Bartlett.

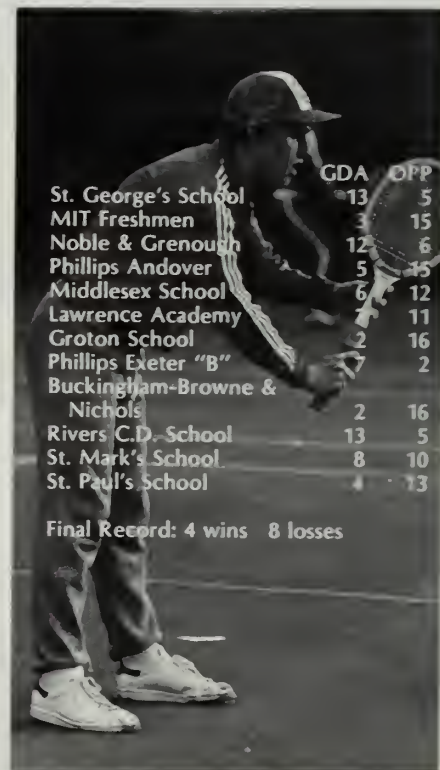

The difficulties of the season can be best understood through the outcome of the St. Mark's match. The team was trailing 4-8 at the end of the singles; St. Mark's needed only two points to clinch the win. The Governors came back to win four of the six doubles sets to fall just short of a tie or possible victory. Once again, outstanding effort fell short of a team win.

The team would like to thank Mr. Harlow for his patience and encouragement throughout the season. We can only wish next year's team the best of luck. Watch out Belmont Hill.

VARSITY GOLF

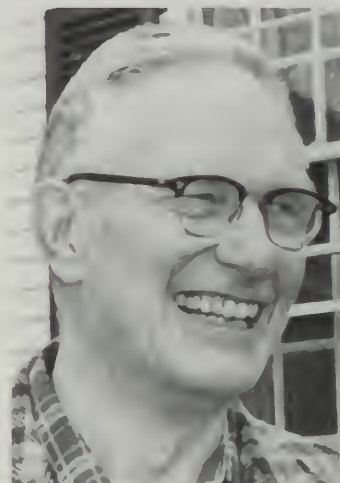

Fewer Hooks - More Depth Needed

Co-Captains Campbell and Weldon

After graduating the number one and two senior golfers on the squad last year, Governor Dummer's Varsity Golf Team held puzzled expectations for the upcoming season. The team finished with a disappointing 2-6-0 record, placing 6th in the Independent School League Championship.

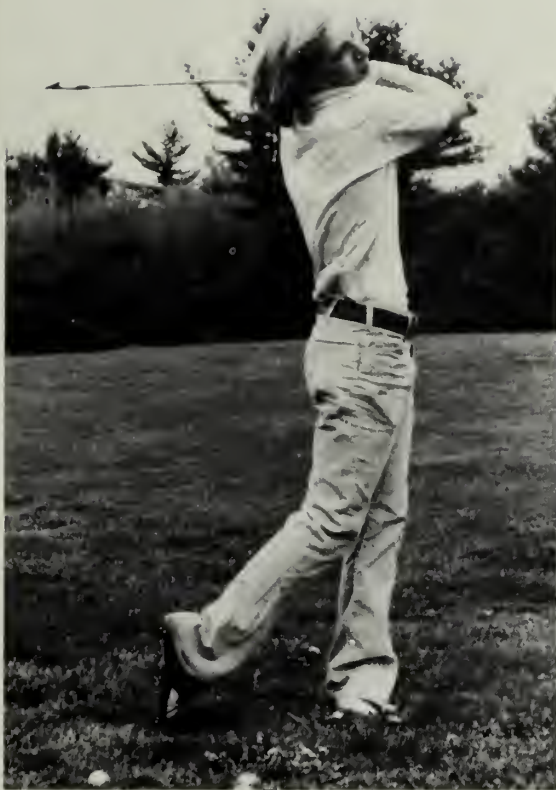

The squad had three returning lettermen including Co-Captains Mike Weldon and Doug Campbell and sophomore Floridian Mike Menyhart who ranked #1, #3, and #2 respectively on the team. Weldon, the top point earner for the team lost only one of his

Coach Witherspoon

First Row: M. Weldon, D. Campbell. Second Row: M. Nichols, M. Menyhart, B. Frost, J. Wechsler, S. Maguire, Coach Witherspoon.

matches throughout the season and deservedly won the team's MVP award. Menyhart, undoubtedly the league's strongest sophomore, will lead next year's team as its captain. Campbell had a disappointing start this year, but finished up strong with a third in the ISL tournament and won his last three matches.

The fourth spot on the team was held down by sophomore Scott Maguire, a fine young golfer with a promising future on the links. The remaining half of the ladder had to be filled with players of considerable less experience and the

outcome of matches frequently hinged on lack of depth on the team. The #5, #6 and #7 ladder positions were held by Mark Nichols, Ben Frost and John Wechsler who gained much experience this year and should provide strong support for the upcoming season.

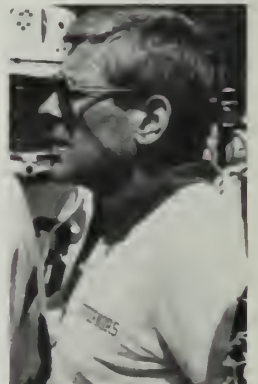

Finally, a word of real thanks to Coach Witherspoon for his interest and patience throughout the long season. Although he will not be coaching next year, all hope that he will hit every shot straight at the pin.

J V GOLF

First Row: B. Freeman, G. Saenz, P. Suksangium, F. Long, J. Robertson, N. Taylor, D. Trayers. Second Row: C. Horatanachai, S. DeGan, L. Devine, K. Russell, P. Kelley, K. Nault, Coach Witherspoon.

THE 1979 MILESTONE

Douglas L. Miller, Adviser
Stuart Cawley, Editor
Wendy Silin, Business Manager

Student Yearbook For Governor Dummer Academy
1 Elm Street / Byfield, MA. 01922

of time. Once all of the necessary work has been accomplished however, this yearbook will hopefully be an accurate record, and more importantly, a book which has captured the best moments and memories of the school year.

The MILESTONE and Jr. MILESTONE staff are responsible for producing GDA's yearbooks. Although creativity is required for this job, there are many difficult tasks involved in reaching the final product. Subscriptions and advertisements must be tracked down. Photographic assignments must be organized in advance and carried out. The typing and layouts themselves demand a surprising amount

THE GOVERNOR

A school newspaper is only as good as its staff. Fortunately, this year's GOVERNOR lacked nothing in the way of talent. Articles ranged from analyses of Exeter and Andover Academies, to Dear Daphne, to the prestigious Jocque of the Month write-ups. Having glimpsed the potential of these writers, one should express no surprise in soon seeing some former GOVERNOR editors high on the editorial boards of TIME, NEWSWEEK, or the NEW YORK TIMES!

THE SPIRE

The SPIRE is Governor Dummer's only literary magazine. It offers students the opportunity to have their short stories, poems and artwork published and recognized. It comes out once a year and the staff hopes it will appear twice a year in its next season.

GREENHOUSE CLUB

The Greenhouse Club was started in the school year of '78-'79 by Sargent Kennedy and Jordan Voelker. Their main objective is to utilize the almost unused greenhouse to grow plants to place around school in order to add a little greenery indoors. The Club also starts plants for the Allies planting project in the spring. The Greenhouse Club is open to anyone who wants to help grow plants for the campus or who just wants to give their favorite plants a little sun.

RADIO CLUB

Mr. Professional

For WQLI the year started off as one of its best, with a surge of new members eager to participate. As the year wore on, the initial enthusiasm proved sufficient for giving the club strong legs. With the large number of licenses acquired by members, WQLI was able to present many rock revivals and tributes. In the last lap of this year, WQLI will leave behind many able underclassmen to man the wheel for the next year.

The Student Council serves as a link between the student body and the policy-makers of the Academy. The Council is a group of sixteen students. These members, elected by their peers, represent all classes from both the boarding and day student populations. Meetings are run by the chairman of the Council,

and the faculty advisor is present to give his advice. The Council is a suggestive committee whose role is to legitimize student opinion to the point of its being considered valuable by the school decision-makers. In effect, students can indirectly affect the environment in which they live and are educated.

What Did You Think of it?

"It was . . . umm . . . OK."

"I thought Kathy Leary's directing couldn't have been better, and John Wise's performance was memorable."

"Cynthia Pfeiffer was just incredible. John Esposito did a commendable job, as usual. Leslie Robins really deserves credit."

"I have to admit that John Fain was my favorite."

"You kidding. It was a joke."

MUSIC

The Jazz Band, directed by Mr. Stowens, was the best band we have had here in the past four years. Although plagued by lost rehearsal time because of long weekends, and the loss of many of its members in the winter to sports conflicts, the band had a very tight, full sound. This was due to the combination of some strong veteran members and a new crop of young talent. The Band's material ranged from mainstream jazz to disco, Duke Ellington to Ronnie Laws and Frank Zappa,

and consisted of a basic rhythm section of drums, keyboards, and percussion, complimented by flute, soprano, Alto and Tenor saxes, trumpets, and trombones. Many solo spots were also featured. All in all, it was a dynamite band and should continue to be so next year.

The Chamber Ensemble has been unusually productive this year. Participating in three concerts, including the Glee Club concert with Pingree and the winter student recital, the members have been busy. It was gratifying for the musicians to see greater numbers of students and faculty attending the concerts. This spring, the students learned the most difficult music attempted by the Chamber Ensemble in the past few years. After much individual practice over spring vacation and group rehearsals when all returned to school, Mrs. Blair's ambitions were fulfilled. The Ensemble would like to thank Mr. Leith for his odd bassoonish humor, and Mrs. Blair for her unending patience while trying to push her "music lovers" through each practice.

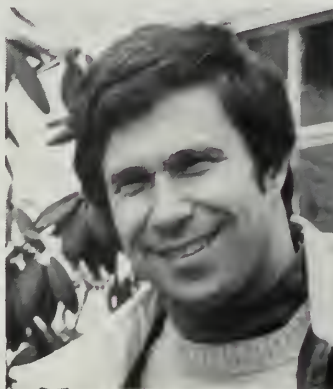

Throughout the whole year, people have come and gone in the GLEE CLUB so that they are never quite sure who all the members are. But, by concert time, they generally pull a good group together. The members of the GLEE CLUB work with much enthusiasm, and it is still debatable whether or not the altos can sing better than the sopranos. In either case, the group as a whole is good, even if they do not warm up. The Glee Club performed twice during the 1978-'79 season; once at Christmas, with the help of Pingree, and once in the spring. Hopefully, next year's members will finally determine a new name for the club.

SOCIAL COMMITTEE

The Social Committee consists of one advisor and a group of thirteen juniors and seniors selected by the student body. The Committee does its best to plan weekend programs which will please the entire community. They meet twice a week and try to organize interesting events. Many dances with neighboring schools are held both home and away. Movies are shown almost every weekend. At times it seems to be an impossible task to satisfy everyone, but a real effort is made to arrange enough variety to make most people happy most of the time.

VARSITY CLUB

The Varsity Club is one of the most active clubs on campus. It is comprised of varsity letter winners who take a special interest in promoting G.D.A. athletics. The club is three years old and is progressing quite rapidly. The members of the club sell food at most home contests, not for profit, but as a service for the spectators. In previous years the club sponsored a "Slave Day", lobster bake, and has helped buy shirts and varsity jackets for the track and basketball teams for placing first in league championships. This year the club has sponsored pep rallies, a "Carnation Day", Spirit button sales, and plans for another "Slave Day" and raffles are in the making. Profits from previous years have helped pay for the "Leaper". This year we hope to buy an electric score board for the lower athletic fields.

BLACK STUDENT UNION

BIBLE STUDY - FELLOWSHIP

The Black Student Union was organized to take advantage of the common backgrounds, interests, and sensitivities of the black students at Governor Dummer. It brings them together for various activities, which not only helps them to maintain a sense of identity in a very different life style, but also serves to raise the consciousness of the entire school in the area of being black in America.

In the midst of busy weeks full of academics, athletics and social activities, every Wednesday evening there was a rare opportunity for reflective retreat at the Bible Study-Fellowship meetings. Made up of students and faculty members with an interest in Christianity, the group seeks, through Bible study, discussion and fellowship to more fully understand what Christianity is all about, how it is to be lived in today's society, and especially in a prep school setting.

COMMUNITY SERVICE

There are many different branches of Community Service available to a junior or senior student. Day care centers for the active, nursing homes, the library, the Salvation Army, and the YWCA pool all encourage volunteers to join their programs. Working in the community allows one to give of himself and receive in return appreciation and respect, while enjoying his work.

FOOD COMMITTEE

"Oh my God! Taste this tuna fish! I don't think I've ever seen (tasted) such incredible filet of the briny deep!!"

"Well, why do you suppose it is so good this year and tasted like steamy mackeral last year?"

I think it must have something to do with that dynamite Food Committee coupled with the new dynamo who is heading up the Dining Hall this year."

"You mean that 1965 New England Wrestling Champion from East Baggataway Maine, Gene Summer?"

"Yeah, yeah — now there's a man who can put a few moves on the hamburger and before you know it, that juicy beef burger is on its back on our plate."

"That's for sure — and it's no fish!"

OK, my friends, that was a sample of the typical conversation of your smug Govie enjoying another satisfying meal in the Governor Dummer Dining Hall. In fact, it has been the general consensus this year that the food has been quite good albeit the food budget has been cut back. Gene has worked closely with connoisseurs like Mike "the Spike" Mulligan (Basketball Hall of Fame) and such gourmands as Dave "Don't give me no grief" Callan, Jeff "I have lost a

lot of weight" Bennett. Other stalwarts of the committee have been Randy "Give me that Columbo Yogurt" Tye and David "I like alfalfa sprouts" Critics. Contributing members to the criticism chasm have been: "Give me Firm and Fruity" Talley, Heb "There are lumps of batter in my chowder" Evans and Doug "When I was head of the Dining hall, there were no coats in the Perry room" Miller.

The Food Committee would like to thank all of those faithful members who showed up for the meetings, rain or snow, sleet or hail, and spent many tedious hours haggling over points like; "Is there too much salt in the Parker River?" Mr. Mulligan would like to thank all the members of the Food Committee and especially Mr. Sumner who has patiently put up with the likes of David Callan, Andy Linn and Bonehead.

FRENCH PROCTORS

RED KEY

The Red Key is an honorary organization made up of members of the junior class, who are chosen in their sophomore year to represent the student body in many functions. Each year two members of the group are chosen to act as co-chairpersons of the next year's Red Key. Their activities include ushering at student plays, organizing athletic receptions, providing most of the manpower for Parents' Day and commencement activities, and helping out the school whenever they are needed.

K. Leary, L. Roome (co-chairpersons), B. Bartlett, J. Bennett, V. Bushell, K. Callahan, R. Cornwall, J. Duff, L. Evans, D. Harrison, S. Hildreth, D. Jones, P. Kurtz, S. Lee, F. Long, H. Mackay-Smith, C. McCarthy, J. Quinn, B. Rourke, C. Sterge, N. Taylor.

Underclassmen

JUNIORS

This year's junior class was a hard working class, dedicated to many diversified areas in the Governor Dummer community.

On the athletic fields, there were many juniors excelling in various events. Julie Duff was awarded MVP in both varsity field hockey and lacrosse, and she proved her skill in lacrosse by winning MVP in the Canadian-New England All-Star tournament. Tony Thomas accomplished many feats in the area of basketball this winter. He was MVP and distinguished himself by scoring an incredible 1,000 points in his career at GDA. He was also elected to the New England All-Star basketball team.

Dean Harrison was number one on the tennis team as well as being awarded the MVP.

The drama program was strongly supported by the junior class. In the fall, Sue Hildreth, Dean Harrison and John Wise all performed well in their roles in *TEN LITTLE INDIANS*. In the winter musical, *KISS ME KATE*, Pam Kurtz carried the lead, supported by Dean Harrison, Greg Moore and Will Washburn. In the spring play, *BAREFOOT IN THE PARK*, John Esposito, John Fain, Leslie Robins, and John Wise all had strong performances.

The junior class was also strong in academics with Fred Long,

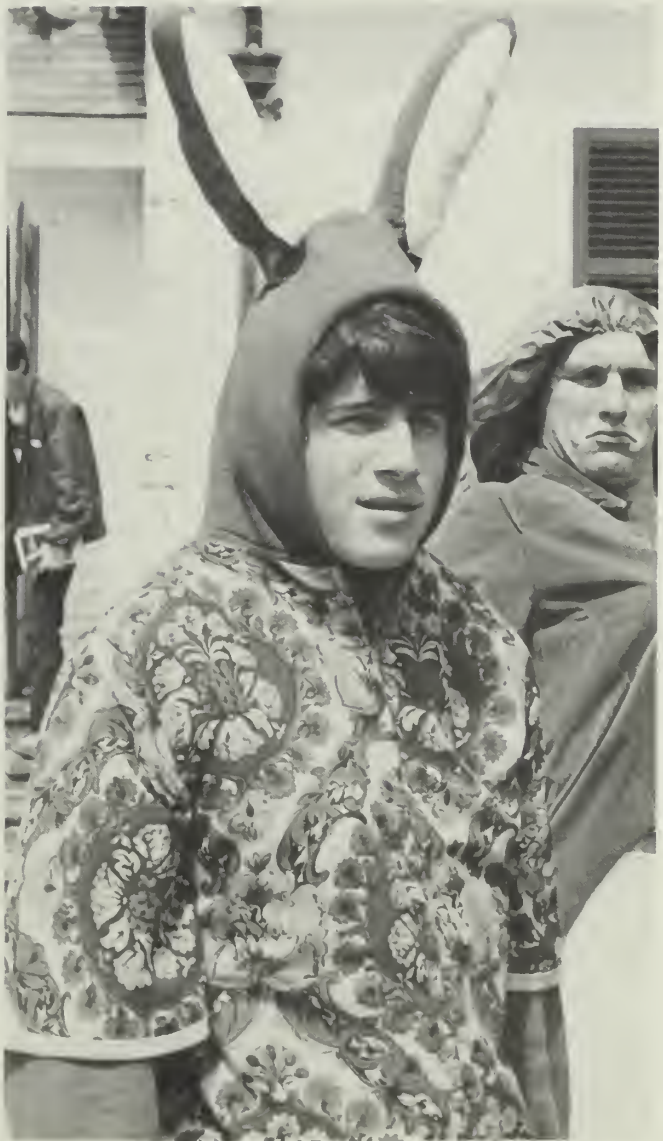

Ginger Bushell, and Leslie Robins leading the way.

Participation in clubs and organizations was a strong aspect of the junior class also. Many members of the class served on Red Key, junior MILESTONE, Social Committee, Varsity Club, and other organizations.

This group has contributed much to the academy in the past, and they are expected to do so to an even greater extent throughout their senior year.

SOPHOMORES

The Sophomore Class had an abundance of talent and spirit. Its members held a great variety of expanding interests and promising potential. Each individual's interests and activities contributed greatly to the school as a whole.

Jenny Graf was active in the student council. Leading the class in another aspect, Cynthia Pfeiffer, Mark Whitney, and Ben Frost held up commendable academic standards.

The sophomores excelled tremendously in athletic talent and support. Sue Perry was not only strong in soccer, but both basketball and lacrosse as well. Terrence Talley was a very strong addition to the varsity basketball team and deserves credit for the team's great success. Vinca Ingram was one of the volleyball team's top players, chalking up points with her powerful serves. Andy Morison wrestled to victory as a New England Prep Champion and proved nearly impossible to beat. Spring brought out talent such as Sue Miller's in track.

In the field of drama, Heather Davis and Jenny Graf added to the plays each term, and Cynthia Pfeiffer played a leading part in the spring term production.

The Sophomore Class proved it could carry itself through two challenging years at Governor Dummer and is sure to prosper even more in its remaining two.

FRESHMEN

Freshman Year is often said to be the most difficult year at GDA. This is usually because of the new environment. This year's freshmen went out and met the challenge, with a little help.

This year was marked by some new and exciting events for the freshmen. One in particular was the freshman cook-out at the castle. This, along with fall sports, gave the new students a chance to learn about each other. Once settled, some individual members of the class went as far as trying out for varsity sports. These individuals put in good performances in their fields. Sally DeGan excelled this fall and winter in soccer and volleyball. Tom Chapman and Jack Lothrop came in and filled spaces in the wrestling line-up this winter with good results. Darrah Shula performed well in track.

As well as the freshmen did in athletics, the arts were not neglected by this ambitious group. The freshmen were involved a great deal in the drama productions in the fall, winter, and spring. There were not only actors such as Jill Demeri, but crew behind the stage as well.

Not only did this group of students perform in the classroom, but they spread themselves throughout the other GDA activities. It was a very good year for the freshmen. Good luck for the next three years at Governor Dummer.

Events

"Glad to meet you, Mrs . . . er . . . your name tag is on upside down."

Opening Day Envelope - Contents: 1 name tag (to be worn at all times) . . .

Agatha Christie's TEN LITTLE INDIANS: Whodunit?

All the boys (??) and girls love Halloween.

Taming the shrew in KISS ME KATE.

"Listen guys, you better brush up your Shakespeare."

"What're you laughing at? Its an Oldies Dance."

The ultimate levitation.

"C'mon this is a talented act; clap dammit!"

"I've had enough of your childishness."

"First, we can't have it, second, . . ."

Chris Kangis gives talented performance with band.

ROCK AND ROLL

*The Social Committee
of
Governor Dummer Academy
cordially invites you to attend the
1979 Spring Invitational Weekend
April 27, 28 and 29*

Invitational weekend draws most people ever.

Fools get things cookin' on GDA campus.

"We're getting killed out there!"

"Good job men. Now rip 'em apart this quarter!"

"C'mon ref, he tripped me!"

"AWRIGHT!"

Mr. Erlanger and Mr. Godsell discuss the situation in Iran.

Nice legs, Dave.

"Keep your distance!"

"Its the only way to travel."

"That's right, John; I said pick 'em all up."

Spring '79-Most people in pie race ever

Anne Chisholm wins first prize in Photo Contest.

Linda Miller receives Yearbook Achievement Award.

Dean and Will recognized for work in drama.

Beth Jones picks up grad bag.

Alumnus takes a swing.

Julie Duff blows by Leslie Russell.

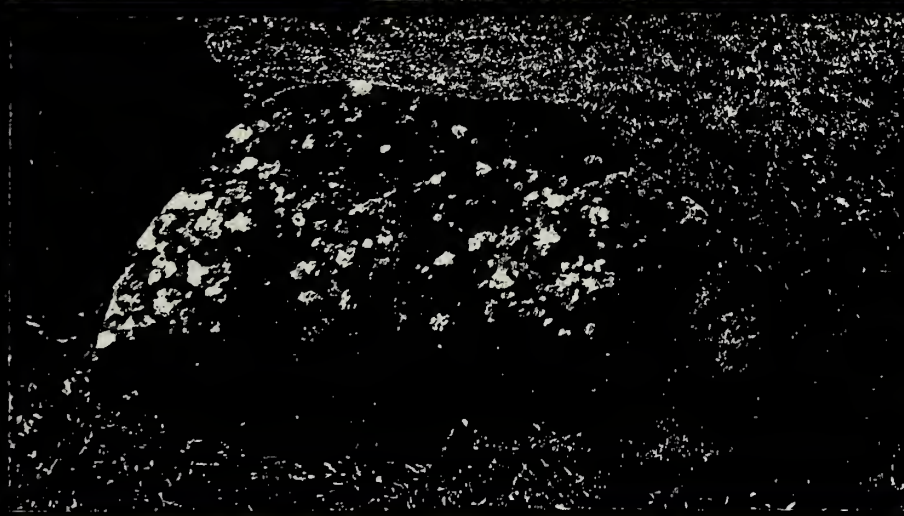

Mike "The Mouth" Mulligan inspiring alumni.

Mr. Ragle chatting at High Tea.

MORSE FLAG

Honors by election, by appointment, or won head to head in athletic competition are nothing new to the 1979 recipient of the Morse Flag. Yet throughout a distinguished career at Governor Dummer, he has accepted recognition without fanfare and worn his laurels without display. Ability and willingness to work are by no means the limits of his accomplishment; for he has demonstrated versatility as well, and he has accepted disappointment as graciously as success. Athlete and artist, musician and scholar, he has for four years at the Academy performed with quiet excellence.

Further, the kinds of honors he has won reflect not simply natural gifts, but character as well: elected by his teammates to co-Captaincy in one sport, for more than half of his senior season he built a strong record, yet because of an injury had to sit out the championship phase of the season; in another he was selected by the team captain for the award recognizing a senior teammate best exemplifying spirit and desire.

Honored at the end of his junior year for scholarship, he was one of six members of his class to receive this past fall a National Merit Scholarship Letter of Commendation. He was likewise one of the first of the class of 1979 to be admitted Early Decision to college - joining a recent current of outstanding Governor Dummer students moving into Eleazar Wheelock's famous Indian School on the granite verge of the broad Connecticut. Member of a talented Governor Dummer family, the winner of this year's Morse Flag is **STUART RANKIN CAWLEY OF WEST NEWBURY**

ACADEMY PRIZE

The Academy Prize is awarded to a senior whose unselfishness and sportsmanship have best exemplified the spirit of the school. A solid student, an awesome athlete, a leader not by self-promotion or by formal election, but by a respect naturally accorded him both from his peers and his elders, this year's recipient of the Academy Prize is the embodiment of this second among the two most revered awards made today. A listing of his honors here, imposing, but unnecessary, indeed almost irrelevant, may be symbolized by just three; he was selected last fall in the first group of student Directors ever given responsibility for the new Peter Marshall French Student Center - and once before, tonight, his special merits have been spread out before you. The admiration he has won as a person, over the past four years at Governor Dummer, extends far beyond this campus to our sister schools, where he is well known.

For the Academy Award -
DEREK DEALE SPEARS OF THE BRONX, NEW YORK

SPECIAL AWARDS

Most fortunately for Governor Dummer, the Academy enjoys an ancient tradition of faculty who come — and stay. They form the living core of its character and the center of its strength. We honor two such tonight who arrived here together in September, 1954, twenty-five years ago.

DOUG MILLER already well knew the school, for he had graduated here in 1946. Indeed, I never realized until yesterday that he was hired onto the faculty in 1950, the year I first left here to follow my fortune. It was an abortive hiring for Doug was promptly enlisted in the Air Force and did not return to the scene until four years later. After twenty-five years, it is the carefully considered and cautious conviction of the Administration that Mr. Miller should be allowed — occasionally — to sit down. It is with deep appreciation that the school provides him with this Governor Dummer Captain's Chair.

BILL SPERRY, in his twenty-five year tenure has worn a multitude of hats, many of which he has gracefully relinquished, only to be fitted promptly to new ones. For instance, last spring he finally, after literally decades, found a successor as head coach of the track team — only to be rewarded this spring with the appointment as head coach of girls' track. At any rate, I understand that Bill already is provided with a Governor Dummer chair and — not wanting to encourage in him unduly sedentary habits — I most gratefully present him from the school with this handsome memento from Old Newbury on Inn Street, decorated with appropriate, I hope, marine device.

One gracious lady has quietly performed her duties over a period of twenty years in the Admissions Office, and most recently the Headmaster's Office. Those facts are but the tip of the truth, however. Want a pair of glasses repaired at short notice? Want a very special cake baked for an important occasion? Want a favor done, a program typed, a flyer designed? She is infinitely generous with her time in meeting requests of students and faculty alike. And we are grateful!

MRS. ETHEL WHITNEY

When Mr. Witherspoon and I joined the faculty in 1947, among the chief sources of comfort and encouragement for neophyte teachers were the homes of the established faculty families. Refuge and recreation lay in sitting in their apartments on odd evenings or during a weekend, and sharing the family circle, enjoying their children. The contributions of the "Old Guard" to Governor Dummer Academy are legion and known far and wide. What was meant to each of these men — and to the whole school, year in and year out — by their long-suffering wives has been equally invaluable, if much less visible and far less well known. Teach, coach, and counsel for long in a school like Governor Dummer, and the magnitude of a spouse's contributions and support comes crystal clear.

Fortunately in this present case the lady acceded to becoming much more visible during the last ten of her 36 years on campus, when in 1969 she assumed the reins in the Frost Building as Librarian.

Thus, many of us can testify that as wife, mother, friend in need to harried young teachers, golfing champion, Librarian, hostess — and now grandmother — in an infinite variety of ways — FRAN NAVINS has earned the richest of laurels — of which this small gift is but a symbol.

The Peter Marshall French Memorial Trophy

The winner of this trophy may be one of the young members of the student body - last year he was a freshman - or may be an upperclassman; may play at the varsity level or below. It is his or her influence, the quality of the person as well as the play that counts. This year the recipient is a senior, a good athlete - but more important here, is the tone he has set on every squad of which he has been a member, in soccer, in hockey, in baseball, a quality which he has carried with him off the field and into every aspect of his life at school. It might have been said by any of his coaches, but it was in fact expressed a week ago when he was awarded the Senior Baseball Trophy: What will be remembered is "the refreshing attitude, the true sportsmanship and the maturity of

STEPHEN LAURENCE PERRY OF BOXFORD

The Anne Marie Murphy Athletic Award

who has scored goals and, in a pinch, stopped goals from being scored; been elected to the Cum Laude Society for her scholarship, played superbly, on a variety of chamber ensembles, upon the oboe. Give me that athlete — I almost said make ME such an athlete, but it's far too late for that — give me that athlete who is more than an athlete, much more! The Anne Marie Murphy Athletic Award goes to LINDA LEE MILLER OF BYFIELD

Student Union; into everything he does. They made him last fall an obvious choice for the first-ever senior Directorate of the Peter Marshall French Student Center. Respected for who he is by everyone who knows him, the winner of the Goodwin Athletic Prize from the Class of 1979 is DEREK DEALE SPEARS OF THE BRONX, NEW YORK

The Goodwin Athletic Prize

I am no stranger to jealousy. Granted that I have been, at least by my own testimony, an outstanding substitute on a whole host of teams during my lifetime — nonetheless, a substitute I have been. I stand, therefore, in awe of one who was honored on this occasion two years ago as a sophomore; once again last year as a junior; who has laid claim in her career here to nine letters in three varsity sports; has been elected captain; designated the Most Improved, then, three times, the Most Valuable Player; in soccer

Winner over four years of nine varsity letters; Most Valuable Player a total of six times in three sports; three times chosen on Independent School League All-Star Teams (in football and in basketball), he has been the kind of totally unselfish team player less often in the headlines than some of his teammates, but without whom his teams would have lacked the glue that held them together. A strikingly consistent and intelligent athlete, he is far more. That same consistency and intelligence carry over into the classroom; into the dormitory; into his leadership of the Black

The Barriskill Prize

No member of the Senior Class can have provided - and provided over a four full years - more sheer entertainment and good fun than this year's winner of Jim Barriskill's prize. As it is so often, true entertainment is the product of someone's hard work. Thus for this senior there have been many hours of planning, of winning the cooperation of others, of filling the vacuum in leadership when the leadership of others has failed. It has required patience and tact — and superb musicianship. I almost wish we had his keyboard here and could ask him to provide at this moment a musical intermission. To a talented young man, the Music Prize.

CHRISTOPHER PLATO KANGIS OF EXETER, NEW HAMPSHIRE

The Thespian Award

Today modesty seems almost a commodity, a trick of the trade to curry favor or win elections. To be treated to natural unself-conscious modesty on the part of a truly talented person is a rare and happy experience. In this instance, a catalogue of accomplishment

Some people just naturally roll up their sleeves and get down to work. The young lady in question, here, is being recognized for her considerable accomplishments over the past four years in Drama — but her contributions have by no means been limited to the stage. Her activities have ranged from field hockey to Bible Study; from the Red Key Society, to the unhappy deliberations of the Student-Faculty Discipline Committee, to her superb chairmanship of the social committee. For the Drama Club she has more than once been a cast member, an assistant director, chief publicist — and most recently for her Senior Spring Term Project she was the eminently successful Director for the delightful production of Neil Simon's "Barefoot in the Park."

KATHLEEN ANN LEARY OF SEABROOK BEACH, NEW HAMPSHIRE

The Wilkie Service Award

would tell but a portion of the story: athlete, yes — a good one but unassuming there as everywhere; a worker, yes — in virtually every major facet of the school; a student, yes — National Merit Scholarship Letter of Commendation winner and member of the Cum Laude Society; but especially a willing volunteer whose quiet enthusiasm has extended beyond the bounds of the campus to cheer the elderly and the ill in Newburyport during her Community Service visits last fall.

JOHANNA MARRINER STEPHAN OF TOPSFIELD

The Gaffney Prize

She is a member of the Cum Laude Society and of the Varsity Field Hockey squad. She is an accomplished flutist with the Chamber Ensemble, a member of the Modern Dance troupe, of the Art Club. She has already been published in the Dow Jones-owned Essex County Newspaper chain, and she has sold a painting. She has traveled to Ireland, illustrated children's stories — and last Sunday she presided in the Thompson Auditorium over the world premiere of her delightful slide-tape recreation of Sir Walter Scott's *IVANHOE* — made on location at local castles, forests, and jousting grounds, and featuring a versatile cast of local notables.

JUSTINE EUSTACIA COOK OF WEST NEWBURY

The Cumings Prize

Co-Captain of one Varsity team, Captain of two others, a member of Red Key, of the Social Committee, of the Bible Study group, a veteran Tour Guide, she works hard to succeed, but can maintain a sense of humor when things get tough. Winner last year of the Harvard Prize Book, she has this year been elected to the Cum Laude Society, been Editor-in-Chief of the *GOVERNOR*, and, captained the girls' lacrosse team which two weeks ago won the Independent School League Northern Division Championship.

ABIGAIL MANN WOODBURY
OF SOUTH BYFIELD

Special Prizes

Energy and unfailing cheerfulness are bywords for tonight's first winner of a Special Prize. It is one thing to join in with a multitude of activities; many of us have done that; it is quite another, however, to carry through and contribute fully to each one. This young lady has brought to everything she has done an enthusiasm which infects all who

are around her: secretary-treasurer for two years of the Varsity Club, with letters herself in three sports; dancer; tour guide; Red Key member; on the Student Council; co-Managing Editor of *THE MILESTONE* — and much more — for her cheerful energy and hard work, this award tonight goes to

KIMBERLY SAUNDERS OF
BYFIELD

There are in most every community a small handful of individuals to whom people turn when they need something done right. Such a one is this next recipient of a Special Prize. She'll look you square in the eye and tell you how things are. (More than once in transporting a tray from the Dining Hall to one or another afflicted member of the Headmaster's ménage at the Mansion House. I have trembled that she might send me sternly back to the kitchen under the "no food outside the dining room rule.") When third field hockey needed a second coach, she enthusiastically and capably filled that need; she has co-chaired the Big Brother/Big Sister Program for new students; she has co-chaired the Red Key Society; she is another one of the four seniors in the first Directorate of the Peter Marshall French Student Center. Unfailingly dependable, the third of her family to graduate from Governor Dummer, she is well deserving of this recognition tonight.

LAURA JOURNEY ROOME
OF MIRROW LAKE, NEW HAMPSHIRE

Though it may likewise be said of each of the three who have just preceded her, a special quality of the last of these four tonight is that she cares. It shows in everything she does; it affects everyone with whom she comes in contact. Ask her to take on a job, and you can stop worrying. A talented athlete, this spring in what had promised to be her most successful season, she accepted gracefully a side-lining injury. Services important to the Academy have shown strongly because she has been on hand to supply the leadership: for the Modern Language Department, in the Language Laboratory; for the Admissions Office, with the student Tour Guide; musician, a member of the Cum Laude Society, a contributor to many and a friend to all, she is

KATHLEEN MARIE COFFIN OF
HAMPTON FALLS, NEW HAMPSHIRE

In my judgement, and by long tradition, one of the proudest claims that Governor Dummer Academy can make is for the high percentage of its graduates who are not afraid of hard work; who know what they should do and, come hell or high water, do it; who are not afraid of superior natural talent in others, and so by quiet confidence and desire often out perform them. A ranking member of perhaps the most successful Social Committee in years, contributor to a host of activities, co-Captain of two of this year's most successful varsity teams, several times winner of Independent School League honors, dormitory proctor, vice-President of the Varsity Club, this next recipient of a Special Prize is:

ANDREW STEVENS LINN OF
ZANESVILLE, OHIO

Underclassmen Awards

The Harvard Prize Book

Elected last year by senior dormitory proctors to receive the Whittemore Award as an outstanding contributor from the sophomore class, here in his junior year he has continued his leadership in and out of the classroom. He is a worthy recipient of the Harvard Prize Book.

DANA HAMILTON JONES OF KENNEBUNKPORT, MAINE

The Hale Scholarship

"Contributor" is the key word here. No one knows better how to contribute, or contributes more cheerfully, more successfully, or more often than

ABNER AGILIOUS MASON OF DURHAM, NORTH CAROLINA

The Ingham Scholarship

There is a quiet mingling of assurance and of consideratness for others in everything he does.

STEPHEN GIFFORD WALL OF NEWBURY

The Whittemore Award

The Whittemore Award is awarded to a member of the sophomore class who through attitude and perseverance has made the best contribution to the Academy.

SUSAN REBECCA PERRY OF BOX-FORD

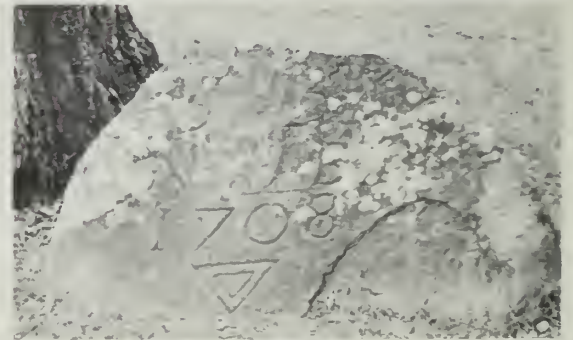

The Francis Scholarship

She is not assertive, as some are, but whatever she does she does with her whole heart, both gaining and giving enjoyment.

HELEN MACKAY-SMITH OF IPS-WICH

June 8, 1979

The Bausch & Lomb Medal

The Bausch & Lomb Medal goes to that senior who, in the estimation of the faculty, has been most outstanding in the study of science.

ELIZABETH ANNE FARLEY OF ROWLEY

The Colman Scholarship

The Edmund Coffin Colman Scholarship is awarded to an undergraduate who has shown proficiency in the study of languages. The holder of this scholarship for the school year 1979-1980 will be

NICHOLAS GAGE TAYLOR OF WASHINGTON, D.C.

The R.P.I. Medal

The Rensselaer Polytechnic Institute Medal is awarded to a member of the junior class who has been outstanding in the field of mathematics and science during the year.

FREDRICK HAROLD LONG OF TOPSFIELD

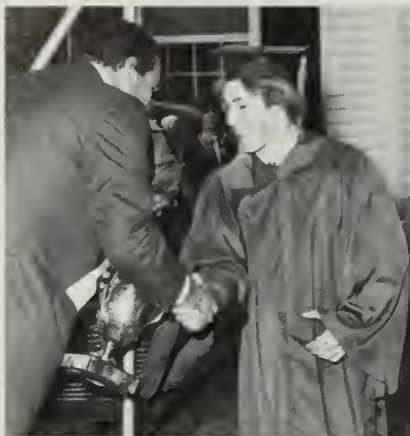

Ambrose Speaking Awards

Third: JAMES JOSEPH RONAN OF MARBLEHEAD

Second: DEREK DEALE SPEARS OF BRONX, NEW YORK

First: BRUCE WILLIAM LINDSAY OF BOXFORD

Thorndike Hilton Cup

What does it take to be the ranking scholar in the graduating class? In a class of dullards and sluggards it might not take more than gentlemen's grades, a respectable 2.9 average perhaps. But not so in the class of 1979 at Governor Dummer Academy, for in this class fully 17 people, more than 20% have earned year-long averages of 3.0 or better. Fully seven have exceeded 3.5.

What did it take to carry off the Thorndike Hilton Cup this year? It took an individual who in four years never finished lower in the class rank than #4; who carried seven courses this year: 5 major and 2 minor; who won a National Merit Scholarship Letter of Commendation last fall and was inducted into the Cum Laude Society this spring; who finished with a perfect 4.0 cumulative average — and the Morse Flag.

STUART RANKIN CAWLEY OF WEST NEWBURY

Honorary Certificate

I have seldom seen a student settle herself so quickly and so comfortably into a new surroundings — or in doing so give more pleasure to those around her. Lively, entertaining, a good student, and an enthusiastic participant, she has sung with the Glee Club, danced with the Modern Dance troupe, shared generously in campus activities formal and informal — and in April she took part, with others from our advanced German courses, in a German drama competition at the University of Connecticut, from which our cast returned with first place among secondary schools, and she with the award — covering both the secondary schools and university competitions — as the Outstanding Performer of all. We have been lucky to have her with us, and we shall miss her!
